CENTRAL SCHOOLS

Summer 2017

Welcome Back to School

First Day of Classes is September 6th

Message from the Superintendent

Welcome to the 2017-18 school year! I am truly honored to serve as your new LaFayette Central School District Superintendent of Schools. I look forward to getting to know the staff, students, and community members throughout the coming years and am excited about what lies ahead for our students in the 2017-18 school year and beyond.

My wife Laura and I have twin daughters, Lillian and Emma. Laura is an eighth-grade social studies teacher at Mexico Middle School. Our family currently resides in Mexico; however, we are looking to relocate closer to LaFayette in the coming months. Prior to my appointment in LaFayette, I served as Assistant Superintendent for Management Services for Mexico Central School District. I also served as the Director of Personnel and Director of Pupil Services in Mexico. Prior to working in Mexico, I served the Fulton City School District as an administrative intern with the alternative education program, assisted the principals at Granby and Fairgrieve Elementary schools, and operated the summer school program for students with special needs. Prior to my administrative work, I was an elementary teacher at Lanigan Elementary School in Fulton.

Our summer cleaning crews have been working hard to make the building shine and sparkle for our students. We also appreciate the work of our bus drivers who while preparing for the return of students have been busy providing summer program transportation.

Our instructional staff members have been hard at work this summer updating curriculum maps, exploring ways to support struggling students, and planning for the implementation of a new K-8 writing program. I am very excited about what lies ahead for our students. Our board of education and administrative team have also been working hard to update our strategic plan. Our theme for this year is "Achieving Excellence" and our goals will focus on the following areas:

- Improving student performance in reading, writing, and mathematics;
- Increasing the number of students graduating on-time;
- Improving student attendance and reducing chronic absenteeism;
- Improving communication with the staff, students, and community; and
- Improving student leadership and citizenship opportunities

Principals will be working with our staff to analyze student data, create specific SMART (Specific, Measurable, Achievable, Reasonable, Time-Bound) goals for each of the areas listed above, and create action plans that will guide our students and staff towards achieving excellence for our students. I am confident that our work together will improve the overall experience and opportunities for our students.

I look forward to keeping our community informed about our district's work on behalf of our students and community. Please check our school website for weekly updates from me. I also look forward to meeting our school community at upcoming events. Please feel free to contact me with any questions, or ideas: 315-529-9550 (cell) or jbelfield@lafayetteschools.org

By working together, I am confident that we will achieve excellence on behalf of our students.

Sincerely,

Jeremy Belfield, Superintendent of Schools

LCSD Water Reporting

As required by County and State regulations, water samples were taken from District wells for analysis by Don Warnow, Safety Officer of OCM BOCES on July 25, 2017. The samples were then sent to Microbac Laboratories in Cortland.

The reports indicate that the water supplies were of a satisfactory, sanitary quality for all locations however, C. Grant Grimshaw school water supplies tested higher than 20mg/l of sodium. Although there is not a set maximum level for sodium, it is recommended by the county that people on severely restricted sodium diets should be made aware.

Therefore for those that may be on severely restricted sodium diet, it is recommended that caution be used when consuming the water from the Grimshaw school.

Please see our website for test results.

PAGES 3-4

From the Desk of the Director of Instruction and Pupil Services

Summer is ideal for completing in-depth, long-term projects. The multiple opportunities and uninterrupted time summer affords staff and administrators to collaborate is tremendous in comparison to the time to be found during a demanding, productive school year.

Kate Jugan, an Academic Intervention Services/Response to Intervention (AIS/RtI) teacher at C. Grant Grimshaw Elementary, facilitated professional development regarding the Eureka Math Modules for PreK-6th grade teachers. During the first session, educators explored and analyzed the curriculum to understand how lesson components built toward a comprehensive and in-depth understanding of mathematics. The second day focused on fluency, which helps students develop the speed and accuracy required to solve complex problems efficiently. On the last day, educators learned a step-by-step process to customize lessons. Additionally, the 7th and 8th grade mathematics teachers updated their curriculum maps and developed common summative assessments that will be used to monitor not only student progress, but evaluate the mathematics curriculum.

After delving deeply into mathematics, teachers met the following week with Jessica Whisher-Hehl, Director of Innovative Teaching & Learning at OCM BOCES, to discuss science. The focus of the three sessions was on: The Framework for Science Education, the New York State Science Learning Standards, the Instructional Shifts: A focus on explaining phenomena or designing solutions to problems; three-dimensional learning: disciplinary core ideas, science and engineering practices, crosscutting concepts; and coherent learning progression: conceptual change over time NOT layering “school knowledge” over naive understanding; and science for ALL students. Teachers also started developing the Science Curriculum Map.

Once science was finished, teachers switched their focus to English Language Arts. Teachers of writing familiarized themselves with the Units of Study in Opinion/Argument, Information, and Narrative Writing by Lucy Calkins and Colleagues. The Units of Study provided the foundation for revamping the entire writing curriculum. Additionally, Lyn Seres returned to support teachers’ further understanding of how to develop students’ phonemic awareness, the ability to hear, identify, and manipulate phonemes, the smallest units of sound that can differentiate meaning; as well as the transition to phonics, the connections between sounds and letter symbols.

Denise Pawlewicz and Lisa Schelgel, instructional specialists at OCM BOCES, assisted teachers in reviewing the curriculum maps for Social Studies. Teachers

examined existing units to ensure alignment of the framework, instructional shifts, and inquiries by reviewing the Social Studies Standards and utilizing the Understanding by Design framework by Jay McTighe and Grant Wiggins. Teachers also spent time discussing and developing summative assessments, which included the role of writing in Social Studies.

The Art, Culture, Language, Family and Consumer Science, Health, Music, Physical Education, and Technology teachers rounded out the work in July. The goal for each department was to revise curriculum maps and develop common summative assessments that will be used to monitor not only student progress, but evaluate the curriculum for each core content area.

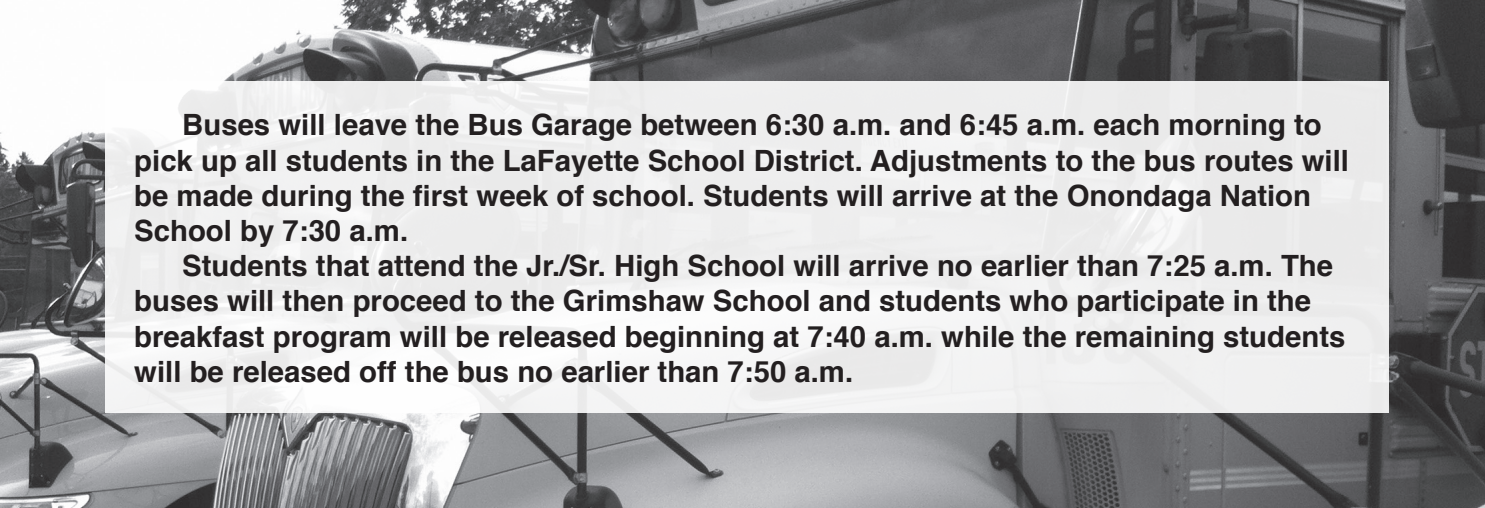

In addition to all the curriculum work completed, other committees, such as Mental Health, Academic Intervention Services/Response to Intervention (AIS/RtI), Special Education, and Mentor/Mentee and Professional Development groups met to revise and update plans pertinent to the running of the district. The Mental Health committee focused on the District Guidance plan and streamlining processes for assisting students with their socio-emotional well-being. The AIS/RtI committee developed infographics in order to provide visuals of the AIS/RtI process as well as checklists for staff. All were added to the manual, which will be shared during Opening Day. All staff were afforded opportunities to receive further training with AIM-Sweb - ELA and Math (PreK-6) and STAR – ELA and Math (7-12), universal screeners used for the AIS/RtI process. The Special Education department reviewed caseloads and participated in professional development on legal requirements and guidelines to ensure compliance and streamline procedures. The Mentor/Mentee and Professional Development committee reviewed data, updated the plan, and outlined professional development for the 2017-2018 school year.

The summer ended with New Employee Orientation. All new employees participated in two days of training to acclimate themselves to the district.

I will end this year’s opening remarks as I did last year. Consistency is at the heart of everything we do here at LaFayette Central School District. We are continually striving for a guaranteed, viable curriculum along with procedures to help support this realization so that LaFayette students graduate with the skills and strategies to tackle the future with confidence and success. I appreciate the efforts of everyone who is working to reach that goal.

Dr. Karen Ocque

◆ SCHOOL BUS ROUTES 2017-18 ◆

Buses will leave the Bus Garage between 6:30 a.m. and 6:45 a.m. each morning to pick up all students in the LaFayette School District. Adjustments to the bus routes will be made during the first week of school. Students will arrive at the Onondaga Nation School by 7:30 a.m.

Students that attend the Jr./Sr. High School will arrive no earlier than 7:25 a.m. The buses will then proceed to the Grimshaw School and students who participate in the breakfast program will be released beginning at 7:40 a.m. while the remaining students will be released off the bus no earlier than 7:50 a.m.

All private and parochial students will be picked up by their respective buses for the school they are attending. In the afternoon, students will ride their respective bus home or meet an activity run bus at the LaFayette Jr./Sr. High School to ride an activity bus home, depending on the time.

Be sure to carefully check to see which route and bus your child(ren) have been assigned to. There are slight adjustments in a few routes for this year. If you have any questions on any of the routes, or if it is not clear what bus your child should ride, please contact Ron Cooper in the Transportation Office at 677-9700. You are welcome to call this number whenever you have a concern, comment or suggestion. The following pages list the morning bus routes for the upcoming school year.

Bus #132 A.M. Route - (ONS & LCS) – From Bus Garage proceed north on Route 11 towards Nedrow to Quarry Rd. turning right onto Old Route 11. Proceed to Frontage Rd. Then Continue down the hill to the first left onto Maybee Lane. Return to bridge then left on Hemlock up to turnaround point. Return to Hemlock to Webster turning left on Webster up to turnaround point. Return to Hemlock proceeding to Martins Lane then continue to upper Martins Lane and turn around back down Martins Lane to Route 11A to Nation School. Return on Route 11A north to Route 11 shuttling students to High School. Return to Bus Garage.

Bus #163 A.M. Route – From Bus Garage, bus will turn right on Route 20 picking up students on north side of Route 20 as bus proceeds onto Ortloff Rd. From Ortloff Rd., bus will turn left onto Route 11A continuing to Nichols Rd. Turn Right onto Nichols Rd., right on Tully Farms Rd., and then right onto Webster Rd. to turnaround point. Return to Webster Rd., turning right onto Tully Farms Rd., and then left onto Bear Mountain Rd. to turnaround point. Turn left off

of Bear Mountain onto Tully Farms Rd. and then left onto Route 20 west to turnaround. Return to Route 20, turning left onto Tully Farms Extension to Route 11A north. Turnaround Route 11A, head to Rowland Rd., and then back to Route 20. Proceed to LaFayette High School and then to Grimshaw.

Bus #138 A.M. Route – From Bus Garage, bus will proceed north on Route 11 to Kennedy Rd. picking up students on Route 11, north of McClary Rd.. Turn right from Route 11 to Kennedy Rd. to Sentinel Heights. Turn right on Sentinel Heights to Graham Rd. Left on Graham, beginning pickups at this point to LaFayette Rd. Left on LaFayette Rd. to Forestry turnaround. Back on LaFayette Rd. to left turn onto Barker Hill Rd. to turnaround. Barker Hill Rd. to right turn on Brevity Lane, then left turn back onto LaFayette Rd. to Coye Rd. turnaround. Proceed to High School and then to Grimshaw.

Bus #139 A.M. Route – From Bus Garage, bus will proceed left on Route 20 to LaFayette Rd. Turn left on LaFayette Rd. to Reidy Hill Rd. Turn right on Reidy Hill then right onto Persse Rd. Turn around on Persse, turn right on Reidy Hill, and then right on Eager Rd. to Apulia Rd. Turn left on Apulia Rd. to turn around and then proceed on Apulia to Route 20. Left on Route 20, left on Dodge Rd., and then to Apulia Rd. and turn right. Proceed to Colton Rd. Turn right on Colton to O'Connell Rd. Turn right on O'Connell and then right on Route 20 proceed to the High School and then to Grimshaw.

Bus #145 A.M. Route - (ONS & LCS) – From Bus Garage, bus will proceed right on Route 20 to Everingham Rd. then back to Tully Farms Rd. Extension to Route 11A. Turn left on Route 11A beginning pickups just over Reservation Line. Continue on Route 11A to Gibson Rd. Turn left on Gibson to Route 80. Continue right onto Route 80 to Commis-

◆ SCHOOL BUS ROUTES 2017-18 ◆

sary Rd. Turn left on Commissary and continue up to turnaround point. Return on Commissary to Route 80 to Gibson to Route 11A. Turn left on Route 11A picking up students as bus proceeds to turnaround point. Go to the Onondaga Nation School. Then proceed to Grimshaw.

Bus #148 A.M. Route – (ONS) – From Bus Garage proceed left on Route 20 then left on Route 11 north. Continue on Route 11 to the arena and start pickups. Continue to the Bus Loop then to West Conklin Ave. Proceed South on Route 11A to Hemlock. Turn right to Long House and turn around. Proceed back to 11A to the Nation School. Wait at Nation School until students are allowed in building then return to Bus Garage.

Bus #150 A.M. Route – From Bus Garage, bus will proceed north on Route 11 beginning pickups just north of the High School. Continue on Route 11 to McClary Rd. Proceed onto McClary, then Kennedy, and then to Sentinel Heights. Continue on Sentinel Heights to Mercun Drive. Turn right on Mercun to turnaround point. Back to Sentinel Heights turning right on Sentinel Heights and continue entire length of road to Route 11. Turn right on Route 11 to the High School then proceed to Grimshaw.

Bus #151 A.M. Route – From Bus Garage, bus will proceed right on Route 20 to Naughton Rd. Turn right on Naughton to turn around and back to Route 20. Proceed on Route 20 to Webb Rd. and turn right. Turn left onto Amidon Rd. up to turn around on Summer Ridge. Back on Amidon to Webb. Turn left on Webb and continue picking up students as bus proceeds to Shute Rd. Turn left on Shute Rd. up to turnaround. Return to Webb Rd., turn left, and proceed to Route 11. Turn right on Route 11 to Mondore Dr. Right on Sentinel Heights and right on Winacre Dr. picking up all students on Winacre. Proceed to High School then to Grimshaw.

Bus #154 A.M. Route – From Bus Garage, bus will proceed left on Route 20 to LaFayette Rd. Turn left on LaFayette Rd. beginning pickups on both sides of LaFayette Rd. from Rte. 20 to Coye Rd. Turnaround at Coye and Old Coye Rd. and continue on LaFayette Rd to Bull Hill Rd. Turn Right on Bull Hill Rd. picking up students on Bull Hill as bus proceeds to McClary Rd. Left on McClary to Route 11. Left on Route 11 then left on Norman Dr. Pick up students on Norman Dr., Pioneer Rd., and then Bella Vista Dr. Right on Mondore and proceed to High School then to Grimshaw.

Bus #158 A.M. Route – From Bus Garage, bus will proceed left on Route 20 to LaFayette Rd. Turn left on LaFayette Rd. to Reidy Hill Rd. Turn right on Reidy Hill to Eager Rd. Turn left on Eager Rd. beginning pickups at this point.

Proceed down Eager to Coye Rd to turnaround. Proceed back on Coye Rd. to LaFayette Rd. Turn left on LaFayette Road proceeding to Commene Rd. Turn right on Commene Rd picking up students on Commene as bus proceeds to Route 11. Turn left on Route 11 pick up students on the West side of Route 11 (stopping at Apple Ridge Apartments) to the Dollar General Store turn around and then pick up students on East side of Route 11. Continue to High School then to Grimshaw.

Bus #159 A.M. Route – From Bus Garage, bus will proceed left on Route 20 picking up students on south side of Route 20 to Berry Road. Right on Berry Road to Newell Hill Road. Right onto Newell Hill Road to Clark Hollow. Left on Clark Hollow to turnaround. Clark Hollow to Route 20. Left off Route 20 onto Palmer Road. Turn around on Palmer Road and back to Route 20. Left on Route 20, then left onto Apulia Road picking up students on west side to turnaround point then picking up students on east side. Left on Route 20 and then left on Applewood. Turnaround and back to Route 20 to Festival Gardens. Proceed to Willow Wood Apartments then to High School. From High School proceed to Grimshaw.

Bus #160 A.M. Route – From Bus Garage, bus will proceed south on Route 11 to Feather Dr. looping through to Sturgen back to Route 11. Turn right on Route 11 to Meeker Hill Rd. Turn left on Meeker up to turnaround. Back on Meeker Hill Rd, turning right onto Sky High Rd. to turnaround. Back to Meeker to Holcomb to Meadowlark Circle; back to Holcomb turning left to Deer Run. Right on Deer Run to turnaround and back on Deer Run to opposite end and return to Holcomb to Meeker Hill to Route 11. Left on Route 11 to the AT&T Towers then proceed to Maple Grove Dr. to Sugar Bush Dr. then proceed back to North Rd., turning left on Scammell Rd. Left on Route 11 to turn around on the South end of Route 11, then proceed to High School then to Grimshaw.

From the Desk of the **JSHS PRINCIPAL**

It's hard to believe that we are already discussing the start of the 2017-2018 school year. Hopefully everyone has enjoyed their summer and had the opportunity to get outside amidst the ample amount of rain. As a staff, we have spent the summer reviewing our policies and procedures to ensure that we are implementing the best instructional practices. As a result of this year's summer work, students will see a change in curriculum, as well as the Student-Parent Handbook.

The start of the school year also marks the beginning of our new master schedule. Our counselors have been working in tandem with our teachers to create course offerings that are both challenging and interesting for our students. This year we were able to add elective opportunities in the following areas: Home Improvement, First Aid/CPR, Weight Training, History of Nazi Germany, Woodworking, Robotics, and more. We were able to do this while maintaining a variety of rigorous college course offerings. As a result of our motivated and flexible teaching staff, we are able to offer a wide range of opportunities for our students.

Our Junior High School schedule has undergone some changes as well. We have added various structures and procedures to promote the concept of team learning. Our core classroom teachers are now all located on the second floor of the building to ease student transition and promote ownership over the Junior High School learning space. Teachers have a scheduled common planning time to discuss students as a group and plan interdisciplinary and transdisciplinary projects. Lastly, changes have been made to the student schedule that creates flexibility within the student day to allow for the implementation of various instructional opportunities that support acquisition of skill development.

If you haven't already received a Student Verification Form, you will in the next couple of days. Please make sure you make any necessary changes to the form and return it to the main office. This information is what the district will use as points of contact, so it is important that the form is accurate and returned in a timely fashion.

We are looking forward to a great 2017-2018 school year.

Jason Ryan, Principal

GUIDANCE/COUNSELING DEPARTMENT NEWS

NCAA Clearinghouse: Attention seniors - If you plan to participate in either NCAA Division 1 or 2 intercollegiate athletics, you need to register with the Clearinghouse. To register go to www.eligibilitycenter.org to register online. When completed you must notify guidance so we can release your transcript to the NCAA.

Transcripts: Upcoming juniors and seniors will be receiving a copy of their high school transcript in late August to review. If there is anything that needs to be corrected, please contact your school counselor.

Schedules; All students (grades 7-12) will receive their schedules by the end of August.

Attention Seniors: Be mindful of the SAT/ACT deadlines for September and October. You do not want to pay late fees for either test.

JUNIOR AWARDS

Junior Class Special Awards were given out at the Senior High Awards Night. The awards were based on a variety of qualifications including grades, community involvement, participation in extracurricular activities, and specific student interests.

◆ Grimshaw School News ◆

PRINCIPAL INPUT

Welcome back for the 2017-2018 school year. Grimshaw is looking forward to an exciting school year. One of our goals this year is to increase the number of students in our building that achieve PERFECT ATTENDANCE. We will be working on identifying students that are present at school every day during each month. Take a look outside of the cafeteria to see how your child's grade-level is doing at achieving that goal of perfect attendance in the month.

Being in school every day means that your child won't miss out on any learning opportunities. Please try to promote the idea that being absent from school is only for when your child is sick or if there is a family emergency. If your child asks to stay home "just because", remind them of what they will miss, such as their reading group or PE class.

A few important dates for planning purposes as we start the month of September. ALL students will be starting on Wednesday, September 6th, this includes Kindergarten and Pre-K students. Our first parent group meeting will be held on Monday, September 11th at 6:30 p.m. in the cafeteria. Grimshaw Curriculum Night and Band Information Night is scheduled for Thursday, September 20th, a schedule will be sent once school begins. We are looking forward to a great school year!

Jen Blossey, Principal

◆ The BIG PICTURE School News ◆

From the Principal's Desk

We are making the most of the quickly passing summer as we prepare for next school year. The Big Picture staff will gather this summer for professional development as we set our academic goals for the 2017-2018 school year. We are eager to continue our growth with READ 180 and STAR Math.

The aquaponics projects that were developed from our Agricultural Entrepreneurship and Engineering Workshop are complete and we have a self sustaining aquaponic grow system. The system includes a rain barrel/water shed for harvesting rainwater, a 100-gallon fish tank stocked with Tilapia to provide nutrients for the plants, and an aquaponic grow bed to filter the fish waste and circulate the water. All we have to do now is feed the fish and watch the plants grow. We are currently growing basil, parsley and kale to start with, and are looking to make upgrades next year. This was a fairly large and intense project, however we managed to get everything done in the limited amount of time we had. Walt's advisory was very active in this project and donated \$250 to purchase the final supplies we needed. We hope you will be able to purchase organically grown herbs with your Big Picture Scholarship Garlic at next year's Apple Fest.

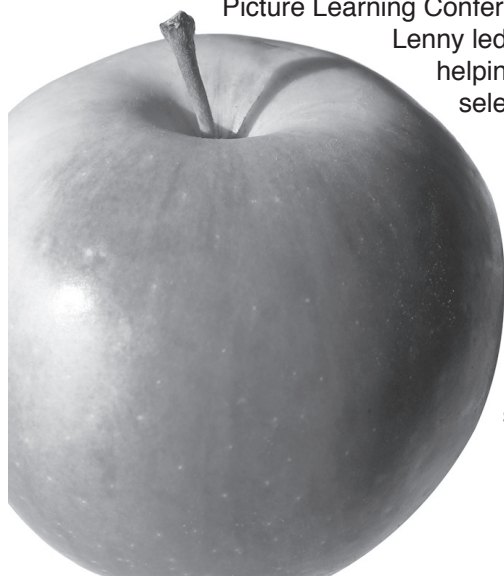

We are honored to announce that Lenny Oppedisano and David Stablein were selected to present at the International Big Picture Learning Conference in St. Louis, Missouri. Lenny was an Advisor for the three day conference.

Lenny led the learning of twenty adults at the conference. David presented a workshop on helping students Transition to College. We are proud of Lenny and David for being selected as presenters. Congratulations.

Chad Dawson, LaFayette resident, masterful woodworker and a great human, mentors students in our school. Chad wrote a grant and won! The Big Picture School now has a new lathe. Chad has been teaching students how to use the lathe and they have produced beautiful products. They will now have a new machine to use and improve their skills. Thank you so much to Chad for the lathe and the hours you have dedicated to our students and our school.

Our Summer STEP program was a success! Students built VEX robots, worked at Morrisville State College, went on various college visits, explored science and engineering and had fun!

Susan Osborn, Principal

◆ District Notices ◆

School Lunch Menu Notification

Please refer to the LaFayette School website: www.lafayetteschools.org to find out what the menu is for your child's school.

There are changes that are made after the Menu is printed in the school's newsletter, and it was decided that it would be more accurate and up-to-date to post the menus on the website.

If you do not have internet access, please call your child's main office and a menu will be sent home with your child.

Notice of Asbestos Management Plans

As provided under the Asbestos Hazard Emergency Response Act, (AHERA - EPA 40 CFR 763), LaFayette Central School District hereby makes known the steps it has undertaken to comply with AHERA and the availability of asbestos management plans.

1. Beginning in 1989, all district owned facilities were inspected for asbestos and management plans were developed for each building according to the requirements of AHERA. Triennial reinspections are conducted every three years. Onondaga-Cortland-Madison BOCES of Syracuse, NY completed the 2016 AHERA Triennial inspection and update to the asbestos management plans.
2. Periodic Surveillance of asbestos containing building materials is conducted every six months.
3. All custodial and maintenance staff have undergone 2-hour Asbestos Awareness Training.
4. All response actions taken are within federal and state guidelines.

Management Plans may be viewed during office hours from 8:00 AM to 4:00 PM. For more information, please contact the following individual: James E. Kesler, Director of Facilities /L.E.A. Asbestos Designee @ 315-677-7725.

District Traffic Safety Reminders

Speed and carelessness injure kids!

Are you aware that the speed limit in front of the Grimshaw School on Route 20 is 20 mph while school is in session? Please adhere to the speed limit to protect our elementary students...besides, it's the law, and you will be ticketed if caught driving beyond the posted speed in any School Zone.

The School Zone in front of the Jr./Sr. High School is 35 mph. Again, it's the law that this speed be enforced.

Also, it is law that vehicles **not pass school buses** in ANY school driveways or parking areas when school buses have their red lights flashing. Vehicles are to remain stopped while buses have red lights flashing regardless of where the buses are stopped, as red lights are indicators that students are boarding or discharging from the bus.

If you are behind or approaching any school bus with red flashing lights you must STOP. That means you cannot go around any bus on any side either!

You must remain stopped until the bus driver turns out the red signal lights, or a law enforcement officer signals you that it is okay for you to proceed.

Thanks for your help and cooperation in keeping our students safe.

Emergency School Closings

During the school year, there may arise an emergency situation when school may close, or be delayed, or dismiss early, i.e., weather emergencies. Please listen to the following stations for school related information:

- 95X Radio (95.7 FM)
- 93Q Radio (93.1 FM)
- Y94 FM Radio (94.5FM)
- WSTM TV (Channel 3)
- WTVH TV (Channel 5)
- WSYR TV (Channel 9)
- Your News Now: (Time Warner Channel 10)
- WSEN Radio (92 FM)
- WHEN Radio (620 AM)
- WSYR Radio (570 AM)

Closing information can also be found on the District's website and Facebook page.

◆ District Notices ◆

Initial notification to persons in parental relation and staff pursuant to Section 409-h of the State Education Law.*

Dear Parent, Guardian, and School Staff:

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The LaFayette Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- ◆ a school remains unoccupied for a continuous 72-hours following an application;
- ◆ anti-microbial products;
- ◆ nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- ◆ nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- ◆ silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children;
- ◆ boric acid and disodium octaborate tetrahydrate;
- ◆ the application of EPA designated biopesticides;
- ◆ the application of EPA designated exempt materials under 40CFR152.25;
- ◆ the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form below and return it to the School. For further information on these requirements the School pesticide representative is: James E. Kesler and may be reached at: 5955 Route 20 West LaFayette, NY 13084 Ph: 315-677-7725 or fax 315-677-3372

LaFayette Booster Club News

The Block L Varsity Dinner was held on Monday June 6, 2017 at Orchard Vali. Over 170 Athletes, Coaches, Parents and invited guests attended. The following scholarships and awards were handed out.

Mark Lasky Extra Mile Award: This award commemorates Mark Lasky, the coach who was responsible for reinstating football in our district and truly epitomized “going the extra mile” to improve the experiences of students participating in sports. The 2017 recipient is a community member who has embodied Coach Lasky’s selfless commitment to LaFayette athletics, in so many ways. The Booster Club is beyond thankful for **Tony Vadala (pictured)** and his commitment. Mrs. Lasky was in attendance to give the award.

Jim Munnell Award: This award is presented in memory of Jim Munnell, remembered for his dedicated service to the Booster Club and the LaFayette community. The recipient is a student who embraces the spirit of volunteerism that was embodied by Jim. The 2017 recipient was **Ashley Anastas (pictured)** for her help and volunteerism during the apple festival weekend. Mrs. Munnell and Jim’s sister Jamie were in attendance to present this award.

Fan of the Year: Teams appreciate the loyal fans that come out to cheer them on, whether they are students, teachers, administrators, community members or relatives. This award is intended to acknowledge a visibly dedicated and enthusiastic Lancer fan who has demonstrated a positive spirit and encouraged our student athletes. **Jody Lewis (pictured)** has been cheering on and attending LaFayette games in all sports for the past 60 years. Congrats to Jody!

Coach of the Year: This award is given to a varsity coach who represents the spirit of LaFayette by motivating individual athletes to reach their full potential on and off the field. The recipient of this award knows that success is measured not only by a team’s record, but by individual and collective growth. The recipient of this award was nominated by our student athletes, this year’s award was awarded to **Abigail Lerch (pictured)**.

The Gordon Ohstrom Athletic Scholarship Award: One male and one female are selected each for this award. Criteria for selection include the number of seasons played as a varsity athlete, awards and recognitions, and amount of

time spent volunteering at Booster Club events. The winners are calculated by using a point system. The 2017 Recipients were Gunnar Schumacher and Jurnee Shenandoah-Kurtz.

Shannon E. Thomas Awards: Given by the Thomas Family in loving memory of Shannon Thomas, Lianne West and Jessica Flegal who lost their lives in a car accident in 2002. Each recipient of these awards must be attending college and have shown the school spirit, enthusiasm and respect for the sport in which they played. The 2017 Recipient was **Natasha Powless (pictured)**.

The Mary Jo Kelly Scholarship: Established in memory of Mary Jo Kelly a 1974 graduate of LaFayette High School and a life-long Lancer. This scholarship will be awarded to a senior boy and girl who play two sports and who does not necessarily get recognition for their hard work and willingness to give back. The 2017 Recipients are **Thomas Whitney, Jurnee Shenandoah-Kurtz and Lauren Gates (pictured)**.

The Booster Club Scholarship Award: One male and one female are selected for this award. Criteria for selection include the number of seasons played as a varsity athlete, awards and recognitions. The winners are calculated by using a point system. There was a tie between the males, so we rewarded all applicants with an award. The 2017 recipients were Vivian Mueller, Jeremy Reynolds, Zachary Thrasher, Wade Miller and Jacob Doster.

Thank you to our exiting board members for all their years of hard work and dedication. There was a public meeting held on 06/05/2017 and voted in new members for the 2017-2018 school year. **Please welcome in the new board.**

LaFAYETTE COMMUNITY COUNCIL NEWS

Youth Programs

Fall Soccer – boys and girls grades K-6, begins Saturday, September 9 at Stafford Park South (concession stand). Registration is at 9:00 a.m. and will be followed by practice at 10:00 a.m. for all levels.

Registration forms will be available at the park on the first day of practice, or can be obtained ahead of time from the Town Hall or on line (Town's web site: www.townoflafayette.com under the "Community Council" tab, select soccer from the drop-down menu) and completed and brought to the first practice. Registration fee is \$5.

Shorts and reversible jerseys will be available at the first practice for a nominal fee.

COACHES WANTED: If you are interested in helping out by coaching – **WE DO NEED YOU** – please call LCC at 315-677-7272 and leave your name and number. Thank you.

Adult Programs:

WERQ® is a dance fitness class that tightens and tones the entire body through athletic moves and dance steps choreographed to dance, pop and hip-hop music. Participants follow the instructor through non-stop choreographed routines then cool down to balance and yoga style exercises. If you've tried Zumba and Tabata in the past, why not try a WERQ out? No dance experience is required and all levels are welcome. Class to be taught by certified WERQ® instructor Nicole "Niki" Spossey-Pitino.

Classes will be held Mondays and Thursdays, 6:30-7:30 p.m. in the Grimshaw Elementary School cafeteria. The session will run September 11, to December 21. Costs for this session are \$45 if attending class one evening per week, Monday or Thursday, and \$80 if attending classes both Monday and Thursday evenings per week. Walk in fee is \$4 per class.

Daytime/Senior Exercise Class – Tuesdays, Wednesdays, and Thursdays, 8:30 – 9:30 a.m., at the LaFayette Community Center. The cost is \$35 for the entire session or \$4/per class walk-in fee. The next session begins September 5, and run through October 12.

Yoga – Mondays and Wednesdays, 6:30-7:45 p.m. at the Grimshaw Elementary School. The Fall Session begins September 11 and will run through December 20. Costs for this session are \$45 if attending class one evening per week, Monday or Wednesday, and \$80 if attending class both Monday and Wednesday per week. Walk in fee is \$4 per class.

Tai Chi – Beginner class held at Grimshaw School, Tuesdays, 6:30-7:30 p.m. Advanced classes at the LaFayette Community Center, Mondays, 10-11 a.m. Call 677-7272 for additional information.

Walking – The recreation path at Stafford Park is also available, every day, dawn to dusk.

Announcements:

Board Meetings – 7:00 p.m. on the first Thursday of each month. The next meeting will be September 7. All are welcome and encouraged to attend as we need your help and input. Please consider becoming a member of LCC as a participant on its board or as a coach – we can't provide our programs without your help.

Scholarship Winners – congratulations and good luck to the following LaFayette Jr./Sr. High School 2017 graduated Seniors who received an LCC scholarship: Vivian Mueller, Wade Miller, Riley LaCava, and Gunnar Schumacher.

Thank You:

LCC would like to thank the following individuals for volunteering their time and efforts to help LCC provide our community with positive and quality sports experiences; you have our sincere gratitude for all you do.

Spring Baseball: Jamie and Tonya Farewell; Chris Porter; Andy Ryan; David Reed; Tony and Cara Dejosia; Wayne Brennan; Jay Colburn; Melissa Wallis; Matthew Pendell; Chris Somerlot; Travis Homer; Steve Borte; Mike White; Joe and Heidi Greco; Randy Lougi; Ashlie Carrier; Jeff Stivers; Tim Bice; Jason Newman; Scott Gates, and Stacey Gathmann.

Summer Baseball: Wayne Brennan and Mike White
Lacrosse: Andy Reed; Maddie Appel; Halee Beebe; Kerry Evans; Travis Homer; Trevor Jones; Riley Jones; Patrick Prince; Ian Evans; Todd Briggs; Nate Loughlin, and Megan Skinner.

Tennis Camp: Joe Fox, Taylor Featherstone, and Caleb Gretsky

A special THANK YOU to Tina Knapp for conducting Zumba classes for the past six years. LCC appreciates your enthusiasm and dedication, and we will miss you. Enjoy retirement!

Please consider following these fine people's examples and volunteer to help out – we need your participation for LCC to continue to thrive.
