Welcome to LaFayette Central School District

Thank you for your interest in the LaFayette Central School District (the “District”)! In order to standardize the registration process, we ask that you provide the following information along with the attached registration paperwork.

1. PROOF OF RESIDENCY:

Please submit evidence establishing you and your child’s physical presence in the school district. Such evidence may include:

- 1) A copy of a residential lease or proof of ownership of a house or condominium, such as a deed or mortgage statement
- 2) A statement by a third-party landlord, owner or tenant from whom the parent(s) or person(s) in parental relation leases or with whom they share property within the District, which may be either sworn or unsworn
- 3) Such other statement by a third party establishing the parent(s) or persons(s) in parental relation’s physical presence in the District.

If the documentation listed above is not available, the District will consider other forms of documentation, which may include, but will not be limited to:

- Pay stub
- Income tax form
- Utility or other bills
- Membership documents (e.g., library cards) based upon residency
- Voter registration document(s)
- Official driver’s license, learner’s permit or non-driver identification
- State or other government issued identification
- Documents issued by federal, state or local agencies (e.g., local social service agency, federal Office of Refugee Resettlement)
- Evidence of custody of the child, including but not limited to judicial custody orders or guardianship papers

The District may also require the parent(s) and/or person(s) in parental relation to the child to provide an affidavit either:

- 1) Indicating that they are the parent(s) with whom the child lawfully resides; or
- 2) Indicating that they are the person(s) in parental relation to the child, over whom they have total and permanent custody and control, and describing how they obtained total and permanent custody and control, whether through guardianship or otherwise.

2. PROOF OF AGE:

The District will require documentation and/or information establishing your child’s age. Please supply a certified transcript of a birth certificate or record of baptism (including a certified transcript of a foreign birth certificate or record of baptism) giving the date of birth. Where such documentation is not available, a passport (including a foreign passport) may be used.

Where a birth certificate or passport is not available, the District may consider certain other evidence, which has been in existence two years or more. Other evidence may include, but will not be limited to the following:

- Official driver's license
- State or other government issued identification
- School photo identification with date of birth
- Consulate identification card
- Hospital or health records
- Military dependent identification card
- Documents issued by federal, state or local agencies (e.g., local social service agency, federal Office of Refugee Resettlement)
- Court order of other court-issued documents
- Native American tribal document
- Records from non-profit international aid agencies and voluntary agencies

3. EVIDENCE OF IMMUNIZATIONS & PHYSICAL:

In accordance with New York State's Public Health Law, the District must also receive evidence that your child has been immunized in accordance with the New York State Department of Health Immunization Bureau's Immunization Requirements for School Entrance/Attendance. These records will be necessary to ensure your child's continued attendance. Additionally, please provide us with records of any recent physical examination your student has received. New York State mandates that each new student entering a public school is required to have a physical examination upon entering the District. A physical completed no more than twelve months before the first day of the school year in question will meet this requirement.

The items listed above will provide the District with the information that is needed to properly register your child(ren). All items are essential to the registration process.

In addition to the above, if your child receives special education services or has a medical accommodation plan, please indicate this by checking the appropriate box on the first page of the packet, and provide a copy of the current plan. Please also bring a copy of the student's last report card.

After your completed registration materials are submitted to the District Office, you may contact the building principal who is appropriate to each child being registered. You will find a list of LaFayette Central School District Staff names and phone numbers in this packet. The starting date of attendance will be determined by the next school day, or as soon as practicable. We wish your family a happy and successful school year!

Sincerely,
Vanessa Tryon
