

BENEFIT FOR MARYJO AUNGIER KELLY

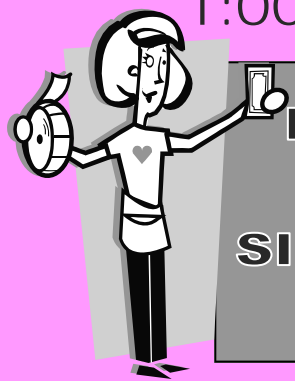

Coach Kelly's efforts to raise money for Coaches vs. Cancer has become personal. His wife Maryjo was recently diagnosed with brain and lung cancer. The benefit is to help the Kelly family with uncovered medical and unforeseen expenses. We hope you will be able to attend or participate in the effort by making a monetary donation or donating an item to raffle. Please contact either of the following individuals if you can help in any way.
