Dear Families,

Welcome to Second Grade! I am looking forward to an exciting and productive year with your child. Please refer to our classroom's supply list below as you prepare for the upcoming school year. If you have any questions or concerns, feel free to email me at mjean@lafayetteschools.org.

In this packet, I have also enclosed a list of sight words that can be cut into flashcards. Your child should know all of the first grade list and strive to know most of the second grade list by September. Over the summer please spend time reviewing math facts and reading with your child. All of these resources along with summer updates can be found on my website located through the LaFayette School webpage. Thank you for your support!

I hope to meet you in September at Curriculum Night and look forward to working with your family next school year. Have a wonderful summer!

Sincerely,
Ms. Jean
