Did You Know?
The speed limit in front of Grimshaw Elementary on Route 20 is 20 mph while school is in session?

District Traffic Safety Reminders
Speed and carelessness injure kids! Are you aware that the speed limit in front of the Grimshaw School on Route 20 is 20 mph while school is in session? Please adhere to the speed limit to protect our elementary students...besides, it's the law, and you will be ticketed if caught driving beyond the posted speed in any School Zone. The School Zone in front of the Jr./Sr. High School is 35 mph. Again, it's the law that this speed be enforced. Also, it is law that vehicles not pass school buses in ANY school driveways or parking areas when school buses have their red lights flashing. Vehicles are to remain stopped while buses have red lights flashing regardless of where the buses are stopped, as red lights are indicators that students are boarding or discharging from the bus.
If you are behind or approaching any school bus with red flashing lights you must STOP. That means you cannot go around any bus on any side either! You must remained stopped until the bus driver turns out the red signal lights, or a law enforcement officer signals you that it is okay for you to proceed. Thanks for your help and cooperation in keeping our students safe!
