

## 20th Annual Academic Galleria

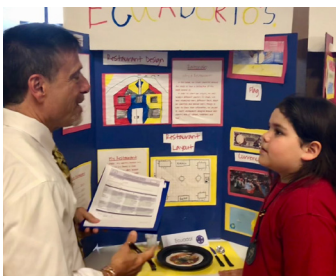

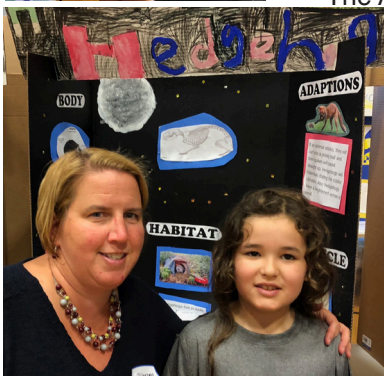

Onondaga Nation School held its 20th Academic Galleria on Wednesday, May 16. The Academic Galleria serves to promote educational standards through research and challenging academic expectations for the students while also meeting and exceeding educational benchmarks set forth by the New York State Education Department.

There is plenty of evidence in the school as well as at home that the month of April and May is dedicated to Academic Galleria research. During the weeks leading up to the Academic Galleria one could walk through the hallways of ONS and hear the sound of tapping Chromebook keyboards, the continuous motion of copy machines printing, and the footsteps of children who are proudly holding the latest models they designed to enhance their projects.

The 2018 Academic Galleria had nearly 130 student projects exhibited this year which represents each student in the Pre-Kindergarten through the Eighth Grade at the Onondaga Nation School.

The Academic Galleria student projects are evaluated by arbiters who carefully listen to the student's oral presentation for criterion indicators. These indicators demonstrate the presenter's knowledge of subject matter, use of materials, and the fluency of the oral presentation. The quality of project appearance is vital as each student must incorporate: Project Title, use of color, neatness, spelling, and grammar, along with a statistical graph of pertinent data, a model for demonstration, and a recognition of resources or works cited for their Academic Galleria project.

The Arbiters for the Academic Galleria include community professionals, school district administrators, and university graduates & professors – all of whom are committed to the educational success of oral presentations through comprehensive research for the students of the Onondaga Nation School.

This year over 30 volunteer arbiters actively participated for the 20th Anniversary of the Onondaga Nation School's Academic Galleria 2018. Project themes by Grade:

Pre Kindergarten Topics: Prehistoric Dinosaurs

Kindergarten Topics: Dinosaur Characteristics

First Grade Topics: Plants and Animals amongst Us

Second Grade Topics: Nocturnal Animals

Third Grade Topics: Restaurants of the World

Third Grade Topics: Endangered Species

Fourth Grade Topics: Principal Authors

Fifth Grade Topics: Natural Disasters

Sixth Grade Topics: Student Choice: The Natural, Ancient, and 21st Century

Seventh Grade Topics: Small Countries of the World

Eighth Grade Topics: Mathematical Tessellations through Photoshop

Niawenha – Thank you is extended to all the students and visiting arbiters making the 20th Anniversary of the Onondaga Nation School's Academic Galleria a great success. Done:toh.

## Grimshaw Annual Art Show

On May, 18th Grimshaw Elementary displayed the artwork of every Kindergarten through 6th grade student in Grimshaw's Annual Grandparent's Day Art Show in the school gymnasium. Featured works included, Kindergarten Penguin Sculptures, 1st grade Vincent van Gogh inspired Sunflowers, 2nd grade Pablo Picasso inspired Frankenstein collages, 3rd grade Around the World in Art & Music display, 4th grade Perspective Winter Birch Tree Landscape paintings, 5th grade "Are You Hungry for Pop Art" Donut sculptures, and 6th grade Egyptian Amulet necklaces just to name a few. All of the Grandparents enjoyed walking through the Art Show with their grandchildren and each Grimshaw Artist did an amazing job on all of the artwork!

See more artwork from this event on page 8.

## Message from the SUPERINTENDENT

Dear LaFayette School Community,

Thank you for your resounding support of our school district budget on May 15th. The voters authorized our 2018-19 spending plan with an 88% approval rating. This is the highest approval for a school district budget vote in the last twenty-two years! Thank you to our Assistant Superintendent for Business Tiffany Turner, our administrators, non-instructional supervisors, and members of our budget committee for their input and support

throughout the budget process. I am excited to be a part of such a supportive school community and thank you for making my first year as superintendent a great experience. It has been an honor getting to know our students, families, and staff and I look forward to our continued work together.

As we head into the month of June, we will celebrate the summation of classroom experiences as we promote students to the next grade level, honor students at awards and moving up ceremonies, and confer diplomas on our graduating seniors. Our students have much to be proud of and much to celebrate for their many accomplishments inside of the classroom. We have twenty-one students who are enrolled in career and technical education programs who are working towards CTE endorsements on their diplomas and many students enrolled in dual-credit programs earning both high school and college credits. We are excited to see our students graduate with a bright future in front of them.

We have taken time throughout the year to recognize and celebrate student success outside of the classroom. Thank you to our student athletes, art students, performers in the school musical, Science Olympiads, and our students who have engaged in internships or service learning projects. I have been amazed by our students ability to continue their learning through all avenues and engage in experiences that help them grow and develop leadership skills and independence.

As we put the final touches on this school year, I look forward to celebrating the success of our students and staff. We will review our year-end data, such as graduation rates, reading and math diagnostic testing results, course outcomes, etc. We will take time to reflect and celebrate. During the summer months, we will update our strategic plan and refine our district goals with our board of education and administrative team. This process of continuous improvement will allow us to better actualize our district vision statement, which is "inspire, empower, and prepare all students to achieve excellence". Congratulations to our graduating seniors and congratulations to our students and staff on an outstanding school year. Go Lancers!

*Jeremy Belfield,  
Superintendent of Schools*

## Summer STEP

STEP Summer Program Begins July 9th. Join STEP for college visits, field trips, project development and much more. STEP will also offer an Illustration/Drawing class Monday-Wednesday from 8:30-11:30. Students can participate in just the Illustration/Drawing class, or stay for the entire day. For more information, please contact David at 315-504-1000 or [dstablein@lafayetteschools.org](mailto:dstablein@lafayetteschools.org).

## Singing Cicadas

You may have seen some of our Native students coming in with bags of bugs to cook and share. Please understand the history behind this. This is a celebration of survival for your students.

Our word for President is Hanadagá•yas. It means "Town Destroyer." During the American Revolution some of our people sided with colonists, some sided with British, but many remained neutral considering this to be a fight between father and son. Because of the actions of those that sided with the British, George Washington declared that the Haudenosaunee be destroyed.

All communities were targeted and Onondaga was no different, especially since it was -as it still is- the capital of the Haudenosaunee Confederacy. (Ever wonder why the Onondaga Nation is so small when we were once regarded as a powerhouse in east and the capital of the Haudenosaunee Confederacy?) The military hanged many of our people and our villages, crops, and supplies were destroyed. Those who were not killed outright starved to death that winter. The spring came, and the survivors were greeted with the 17 year locusts. The locusts were the food that allowed people to survive. They are considered such a gift to our community.

Some people eat it raw-tastes like seafood without seasoning. Most people saute them with a little butter and salt until crisp. The fried cicadas taste like popcorn. Usually you get them in the morning before they eat and fill up.

I understand that it may seem weird (although eating insects is quite common around the world-and really what is an insect if it isn't a crustacean that lives on land? ), but I wanted to give a big Nyawenha -thank you- to you all for being supportive of our students willing to come to school and share their history with you.

**STUDENTS OF THE MONTH**  
APRIL 2018

**STUDENTS OF THE MONTH**  
MAY 2018

JENNA REESE (8th Grade)

**What is the secret to your success?** Just working hard to get what I have.

**What advice do you have for younger students?** Be kind.

**What other hobbies or activities do you participate in outside of academics?** I do a lot with my family and I hang out with my dogs because I love them.

**Who motivates or inspires you to do your best?**

Probably my mom, because she's always worked hard to get where she is.

**Where do you think you'll be in 10 years?** No idea!

ANDREW PORTER (8th Grade)

**What is the secret to your success?** I made sure I get all my homework done and I study.

**What advice do you have for younger students?**

I would tell them to make sure they do their homework and study -- it helps a lot, so you can get good grades on the tests you take.

**What other hobbies or activities do you participate in outside of academics?** I play basketball, baseball and soccer,

and I also like to play outside.

**Who motivates or inspires you to do your best?** My parents. They help me study for hard tests sometimes.

**Where do you think you'll be in 10 years?** I'd like to be working as some type of engineer.

OLIVIA VIRNOCHE (7th Grade)

**What is the secret to your success?** I'm never really angry, and it takes a lot to make me angry... for the most part I'm just happy!

**What advice do you have for younger students?** Keep your grades up and make sure you study to do well on tests. And have a positive outlook on life.

**What other hobbies or activities do you participate in outside of academics?**

Mostly soccer and Art. I really love art and photography. I like to hang out with any pet at my house!

**Who motivates or inspires you to do your best?** Probably my parents because they're both really humorous but very intelligent.

**Where do you think you'll be in 10 years?** I would probably want to be in college, studying for whatever job I want to do... possibly a chef.

ISABELLA PAPWORTH (7th Grade)

**What is the secret to your success?** I kinda just do what needs to be done and if something's not done I try my hardest to do it.

**What advice do you have for younger students?** Always try to be a helping hand. Hard - working is always good. If you're a hard worker that's always good because people will often spend more time trying to get out of work than actually doing it.

**What other hobbies or activities do you participate in outside of academics?** I like to draw, I find it very relaxing and get complimented often, which makes me feel good about myself. I also like to play with my younger brother and sister -- they are always entertaining!

**Who motivates or inspires you to do your best?** Probably my mom and dad. My mom recently got a new job -- both my parents are very hardworking and very, very smart.

**Where do you think you'll be in 10 years?** I don't know if I'm going to go to college or not, but I'll probably be doing something with drawing.

## ♦ Junior/Senior High School News ♦

### Senior Art Students in the Edgewood Gallery Show

Each year high schools within a thirty-mile radius of Syracuse are invited to submit four senior artworks to the Annual High School Senior Show and Competition at the Edgewood Gallery. Sponsored by the Central New York Art Guild, each year's show is held in the Spring. This year senior artists: Cheyanne Brockway, Allison Carroll, Cienna Oakes, and Bridget Walsh were selected to submit an artwork to represent LaFayette in the competition. This is a wonderful opportunity for senior art students to exhibit their work in a professional setting and for the public to recognize student accomplishments in the Visual Arts. Congratulations Cheyanne, Allison, Cienna, and Bridget!

### Scholastic Artworks at the Library

This year's award winning artworks are currently on display at the LaFayette Public Library. You can get an up close look at these amazing young artist's works in the teen section. The display showcases LaFayette Jr. Sr. High School's Gold Key, Silver Key, and Honorable Mention artworks from the Central New York Region and our National Silver Key winner's artwork.

Art departments instructors Mrs. Carr and Mrs. Robinson are very grateful to the library board of trustees and library director Scott Kushner for giving our students this wonderful opportunity to have their artwork displayed in the community.

### Teen Institute at Orenda Springs

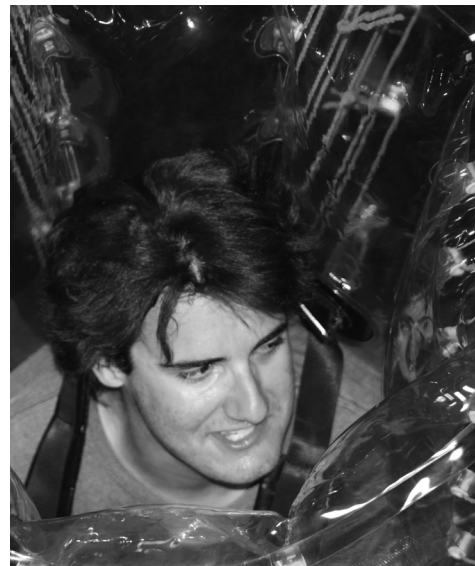

On Tuesday, May 29th, nine members of LaFayette Teen Institute went to Orenda Springs in Marcellus to celebrate a successful school year and work on team building. The students faced several challenges throughout the day that asked them to call upon various leadership and life skills. Students used their problem solving and communication skills to successfully lift all members into a suspended net following a set of rules to make the challenge even more difficult, and employed bravery and teamwork to lift students (and advisors) into the air. Overall, it was a spectacular and memorable day that we are sure the students will remember for a long time!

## ♦ Junior/Senior High School News ♦

### After Prom Fun

We would like to thank everyone in the LaFayette community who helped support our efforts to provide a safe and entertaining night for our LaFayette students at their After Prom. The event was held at Get Air in Cicero. Students had the opportunity to play basketball, jump on trampolines, play dodgeball, play slam ball, participate in minute to win it games, test their skills on a ninja course and enjoy a snack.

Many prizes were given away throughout the night to those students who participated to the end. We would like to give a shout out to: The Optimist Club, LaFayette Fireman's Auxiliary, Church of Nativity, Wegmans, The AppleFest, Shute's Water, Tanglewood, Maureen Perrin, GAPS, Green Hills, Ron Bush Oil, B&B Lumber, LaFayette Trail Riders, SECNY, LaFayette Veterinary Clinic, Caz Sports Bowl, Song Mtn, Dr. McCormick, Four-Seasons, Ra-Lin, 5-Wits, WonderWorks, Mirror Maze, RPM Raceway, BJ's Wholesale, Wais Family, Sweet Basil and Empire Freight Logistics. A great night was had by all.

## ◆ Onondaga Nation School News ◆

*From the Desk of*  
**JOHN GIZZI &  
SIMONE THORNTON**

bearing the items made especially for Community Give Day. These words of thanks, written by Virgil Brave Rock, provide a sense of the feelings created by the day. "Words cannot express my gratitude and thankfulness to all of you for helping to pull off another year of Community Give. It was a successful and fun time for everyone and we have created memories for our ONS students that will remain with them forever".

Students and teachers are preparing for 8th grade graduation. Graduation will be held at the Field House, on Thursday, June 21, and it will include many of the traditions that have been handed down over the years, including the presentation of skits by the younger students and the presentation of scrolls to family members and teachers. A dinner will be held to honor the 8th grade students on Tuesday, June 19 during which our PTS will present the students with their necklaces to be worn at graduation.

Our 8th graders are also honoring and leaving a bit of themselves behind as they leave ONS. On June 8, elders from the Nation community will come to hear and be a part of the presentation of the biographical projects about them. The "Elders Project" has been a part of Mr. Seitz's classroom for a long time and both students and elders learn from and appreciate all of learning and sharing the emerges from conversations and story telling. And, in the field behind the playground at ONS, 8th graders planted sugar maple trees, white pine trees and blueberry bushes hoping to come back some day and stand with their own little ones to see how the trees have grown.

Our youngest students will celebrate graduating from Pre-K and moving up to Kindergarten on June 20. The little ones have grown in so many ways this year.

On June 9, ONS will host a concert with the Syracuse Community Choir. Thank you to Wendy Stafford, Chris Capella, and Ricky and Randy Neu for making such a wonderful event a reality.

Students in Mrs. Reyburn and Mrs. Walker's first grade class had a "Bring Your Parents to School Day". Parents worked with their children on projects such as making a personalized piece of art with rocks, completing assignments in math and reading, and having lunch. The idea of the day and invitation helped to support the idea this year at ONS that we are welcoming the community to be a part of our school. Thank you to all of the parents that could come in to be with us.

Our students will be going on many exciting field trip to end the school year. Grade 2 and 3 are going to Sea Breeze, Grades 4 to 8 are going to Enchanted Forest, Grades 6-8 are going to Barnes and Noble, Grades Pre-K, K and 1 are going to the Zoo and Thunder Island.

### **Girls Adventures in Math (GAIM)**

Two teams of girls from ONS in grades 6-8 traveled to Cornell University to participate in an annual math competition called Girls Adventures in Math (GAIM). The competition consisted of two timed rounds of questions. The girls used teamwork, creative problem-solving and mathematical skills to find solutions to the problems.

The following students took part in this exciting math event: Makiyah Lazore, Riley Thornton, Jonaca Thornton, Sydney CalfRobe, Secorrah Benedict, and Nadia Stafford.

## ◆ Grimshaw School News ◆

### PRINCIPAL'S MESSAGE *from the desk of Mrs. Blosssey*

The school year is ending in a busy fashion, it was standing-room only again this year for Grandparents' Day. The weather was absolutely perfect for the day's events. Each of our special guests started off in the cafeteria, then moved to the individual classrooms, making a side trip to the Book Fair or going to the gym to see the wonderful student artwork and get their picture taken with their grandchild. Many thanks to GAPS (Grimshaw Parents Association) for coordinating the day for us. We also want to thank Nice 'n Easy for providing the coffee for all of our visitors. Anyone who attended Grandparents' Day was able to leave knowing what a wonderful, caring environment we have at Grimshaw.

For the planning purposes here are the important dates for the busy month of June:

June 13th	Olympics Grade 1-3, 8:30 to 10:30 a.m. Olympics Grade 4-6, Noon to 2:00 p.m. Picnic Day
June 14th	Olympics Rain Date
June 19th	6th Grade Graduation - 6 p.m., in the Grimshaw Gymnasium
June 20th	Kindergarten Graduation 9 a.m., in the Grimshaw Cafeteria
June 21st	Last day of School for Students 11:30 dismissal Moving Up Day

### Grimshaw's PE corner

We would like to send out a huge thanks to Grimshaw and their amazing support for the American Heart Association. This year, Grimshaw Elementary has broken their all time record by raising over \$10,000 during the jump rope for heart event. May 8th marked a very special moment for many of our students. Many participated in the jump rope for heart event, slided our very own superintendent, Mr. Belfield and raised money for a great cause. Thanks again for the amazing support and a special shout out to Mrs. Harmatuk and Mrs. Oristan for being in charge of the slime!

Grimshaw Elementary just finished our sensational racket sports unit. Students have learned how to keep score and should be able to take their skills to the court at Stafford to play a game. We were very impressed with some of our Grandparents who played the game "tennis workup" on Grandparent's day with their Grandchildren.

The Track and Field unit is in full swing. We are preparing the students for the most memorable event - THE OLYMPICS! On June 13th, Grimshaw will host both the 1-3 grade and 4-6 grade olympics with a rain date of June 14th. We have added new special effects this year with the help of our librarian, art and music teachers. We can't wait!

Enjoy, Play and Be Active!

Paula Bush, Grimshaw Nurse  
Phone: 677-5501

## Health Office News

Fax: 677-3154  
pbush@lafayetteschools.org

All students entering PK, K, 1st, 3rd and 5th grades, as well as new students, need a physical. (Please note the required years have changed for next year.) Dentist visits are also now requested the same years as required physicals. If your child visits the dentist please have them write a note or fill out a form of their choice stating date of visit and results of check-up.

All new entrants, including PK and Kindergarten students must have their immunization record on file in my office before school starts in September. All 6th graders who have turned 11 when school starts will need to show proof of having the Tdap vaccine as well as 2 doses of Varicella vaccine or proof of varicella disease. As you know there have been many changes regarding immunization requirements at all grade levels the past few years. As soon as I know of any new changes I'll pass them along to you. The current NYS Immunization Requirements for School Attendance/Entrance Chart is posted on our website. Please check with your doctor to be sure your child is up to date with current requirements. Please call me if you have any questions regarding vaccination requirements.

All medications require new physician orders in September for the new school year. They don't carry over from last year. Please pick up any meds your child has here before the last day of school or they will be discarded.

If any student is restricted from PE the end of the school year that will carry over to the new school year and they will need a release note before they'll be allowed to participate in PE.

And one more thing-as many of you already know I'm retiring in June so this will be my last newsletter to you all. It has been my great pleasure to watch your children grow and help keep them healthy and happy over the last 25 years. I plan on subbing for the new nurse so you'll probably still see me around. Thank you all for your support throughout the years and as always feel free to call with any questions or concerns before the end of the year. I hope you all have a safe and happy summer and a great school year next year!

## LaFayette Public Library News

### Upcoming events:

Imagination Lab - June

- ◆ June 6th – Build your own water slide
- ◆ June 13th – Egg drop
- ◆ June 20th – Meet the rats (yes real ones)

Tuesday Tea – June 19th 2:00 – 4:00 p.m.

Our Tuesday Teas are held every month on the third Tuesday, 2-4 p.m. People bring everything from knitting to coloring books or just bring yourself. We also have a jigsaw puzzle set up. Come join us!

Step up to stop falling:

This exercise helps core strength and aids in maintaining balance. The program starts again in the first week in October. Day(s) and time(s) TBA.

The library is featuring the **art of students who showed in the Scholastic Art fair**. Come down and take a look! Those exhibiting work are: Evelyn Ryan, Alyssa Francis, Grace Caughy, Jennifer Post, Jacob Park, Isabella Papworth, Olivia Virnoche, Raven Ditmann, Adam Schaefer, Cameron Walsh, Harlee Farrar, Jenna Reese, Anna Goddard, Karina Magyor, Tyler Fabend, Leanna Crouse, Heaven Elliot, Keegan Hemlock, Carolyn Redmore, Caitlyn Oristian, Leanna Crouse, Lindsay Carroll and Ivy Bennett.

If you would like to display your craft, hobby or collection or know of someone who might be interested in displaying their work in our display case, please let us know.

We have an ongoing jigsaw puzzle exchange in the entryway to the library. Pick up a puzzle or two – leave a puzzle or two. It's very popular and we have some really cool puzzles come through here. We also have a puzzle set up in the library so come in and fit a piece or two (or three).

Speaking of imagination, our 3D printer is available for public use. Please come on in and be creative!

The library system has a number of databases available that range from full courses to Newspaper archives to genealogy. Many of these databases are available on any device that can access the internet using your library card and pin number. Others are in-library use only. Ancestry.com is one that is accessible for in library use.

Thank you for your continued support in using Smile. Amazon.com!

Don't forget to visit: [www.lafayettelibrary.org](http://www.lafayettelibrary.org) . Also you can follow us on Facebook

A reminder that we have a children's computer that has over 60 educational programs on it. It is very popular and we encourage everyone to come and use it.

We continue to offer computer training for our patrons. This is a one on one session by appointment only. Please call 677-3782 and ask for Scott to make arrangements.

### Summer Reading:

General

- ◆ June 27th 2 p.m. – kick off party with the musical *McCarthy's*
- ◆ July 11th 11 a.m. – Gravitation Bull
- ◆ July 18th 11 a.m. – Moreland the Magician
- ◆ July 25th 11 a.m. – The M.O.S.T
- ◆ August 1st 11 a.m. – Zoo-to-you
- ◆ August 8th 2 p.m. Bubbleman
- ◆ August 13th Last day to hand in raffle tickets
- ◆ August 14th – Raffle tickets pulled

Teen specific

- ◆ July 17th 12-2 – Teen Silent Library
- ◆ July 24th 12-3 – Teen craft/DIY day
- ◆ July 31st 5-7:30 – Teen Open Mic night
- ◆ August 7th - TBA

**Story times: Wednesday 10:30 to 11:30 a.m.**

**Imagination Lab on Wednesday 3:30 to 4:30 (except July and August)**

## LaFAYETTE COMMUNITY NEWS

### COMMUNITY BAND CONCERT

The Lafayette Community Band will perform it's annual concert at the Columbian Presbyterian Church (located on the corner of rtes. 11 & 20, Lafayette), Tues. July 31, at 7:00 pm.

There will be free refreshments in the Fellowship Hall after the performance. Suggested donation: \$2. All donations will be presented to Lafayette Outreach (our local food pantry). Please come out and enjoy a night of live music, and support two wonderful community organizations.

Questions: 315-677-3293, cpresbyt@twcnr.com, www.ColumbianPresbyterianChurch.com.

### YOUTH PROGRAMS

**Soccer Camp\*** (boys and girls grades PK-6) - Offered by The Ultimate Goal at Stafford Park, July 23-27. Ultimate Goal will also be offering a one day all-sports camp, "Wet and Wild," in LaFayette this summer. Date and time TBA.

**Tennis Camp\*** TBA (boys and girls entering Grades 3- 7) – Conducted by LaFayette Sr. High School Varsity tennis coach, Joe Fox. Dates and times TBA.

\*Notices with details will be sent home from school. Information and forms can also be found at the Town Offices and on the Town's website under the Community Council tab.

### ADULT AND YOUTH ACTIVITIES

**Walking** – The recreation path at Stafford Park is also available, every day, dawn to dusk.

### ANNOUNCEMENTS

**Community Council** - Board meetings are usually held at 7:00 p.m. on the first Thursday of each month. Please contact LCC – 315-677-7272, for more information. Everyone is encouraged to attend as we need your help and input. Please consider becoming a member of LCC as a participant on its board or as a coach – we can't provide our programs without your help.

### ADULT PROGRAMS

**Daytime/Senior Exercise Class** – Classes are held Tuesdays, Wednesdays, and Thursdays, 8:30 – 9:30 a.m., at the LaFayette Community Center.

**Yoga** - Classes are held Mondays and Wednesdays, 6:30-7:45 p.m.

**WERQ** - Mondays and Thursdays, 6:30-7:30 p.m.  
Call LCC for details about summer sessions for the above classes: 315-677-7272.

**Tai Chi**: Beginner and advance classes are held at the LaFayette Community Center on Monday mornings 8:30-11 a.m. Call instructor Lynn Perrine at 315-677-8114 for details.

### LCC INFORMATION:

Information about Community Council programs can be obtained through the following sources:

- 24/7 on the Town's web site: [www.townoflafayette.com](http://www.townoflafayette.com) under the "Depts." (Departments) tab
- By calling 677-7272 - leave a message/ask a question and a board member will return your call. (Messages are retrieved at least twice a week.)
- By speaking to an LCC representative during the new "Open for Business - Town Hall Tuesday Nights" at the Town Offices every Tuesday from 6:00-6:30 p.m.
- E-mail: [lafayettecommunitycouncil@cnymail.com](mailto:lafayettecommunitycouncil@cnymail.com)
