## New School Year

Excitement was running high on this first day back to school for the 2013-14 school year. Shouts of gladness were heard as students saw school friends that they hadn't seen since June. Teachers were smiling as they met their new students. There were also tears, as

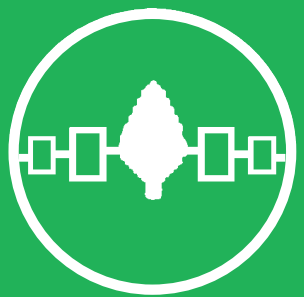

kindergarteners were separated from their parents for the first time. A gathering of parents was seen in the Grimshaw Cafeteria as Mr. Bump prepared them for their kindergartener's first year of school.

In other areas of the school, it was business as usual: physical education in progress; classroom teachers acquainting their students with "the rules"; and, a display case full of new and exciting books to be read this year.

***We all wish every student in the LaFayette District a successful, enjoyable, and enriching school year as this journey begins!***

**FROM THE DESK  
OF THE  
SUPERINTENDENT**

*Peter Tigh, Superintendent*

In this newsletter, Board of Education President Tom Scofield explains the proposed Capital Improvement Project. Your input is both necessary and appreciated. Please take the time to learn more about the project at one of the public meetings or on the district website. Call me at any time if you have questions, and please plan on voting October 25th.

The start of the school year went extremely well. A special thank you to Jim Kesler and all of the buildings and grounds people and also to the Clerical staff for their work this summer. A second thank you to Dan Sawkins and the transportation department for another smooth opening this year.

If you have ever watched a few episodes of *Blue Bloods*, you know about the Reagan family tradition of bringing everyone together for the Sunday evening meal. Tom Selleck, patriarch, and family converse about things that really matter; the topics are real, opinions are shared and shaped. I love that part of *Blue Bloods* (so does my mom) and have started having my nearby family over as often on Sundays as possible.

Recently, someone told me about the Family Dinner Project ([thefamilydinnerproject.org](http://thefamilydinnerproject.org)), so I logged on. There I found ideas for food and games to share at the dinner table. I also found resources like “how to avoid one word answers”, “conversation starters”, and “challenging conversations”. Now, our Sunday dinners are true learning experiences.

Teachers, principals, and other school employees are often asked, “What can I do at home to help?” Naturally, the first response is to make sure the homework is done; but there is much more that you can do. I have found The Family Dinner Project to be a natural bridge for making dinner conversation meaningful (I have a 10-year-old grandson), and you might too.

**New Business Official**

LaFayette School District has a new School Business Official, Tiffany Nesbitt, who started her job August 26<sup>th</sup>. She replaces Peter Mahunik, who left to return full time at Fabius-Pompey Schools.

Since August 2009, Ms. Nesbitt had been the School Business Administrator in the Tully School District. Prior to becoming a school leader, she completed an internship and worked in the LaFayette Schools as District Treasurer from April 2006, to November 2007.

She currently resides in Camillus, NY, with her dog, Cosmo. Ms. Nesbitt is excited for the start of the new school year as well as the return of her fiancé, SPC Radley Turner, this fall from Afghanistan. SPC Turner is currently serving in the United States Army, 10<sup>th</sup> Mountain Division’s 2<sup>nd</sup> Battalion, 22<sup>nd</sup> Infantry Regiment, and they are to be wed in summer of 2014.

**Disclosure of APPR Scores to Parents**

New York State law allows parents and legal guardians of a student to request the effectiveness scores and final ratings of teachers and principals to which the student is assigned for the current school year. Requests for this information have to be made in writing using the appropriate teacher or principal request form. This form may be found on the LaFayette District webpage ([www.lafayetteschools.org](http://www.lafayetteschools.org)) or may be picked up at the District Office. Mail the request to: **LaFayette District Office, Attn: Sarah Munnell, 5955 US Route 20, LaFayette, NY 13084.**

This information may only be released to parents or legal guardians and the district will verify that any request received has been submitted by a parent or legal guardian. Additionally, the information is intended only for the use of the requesting parent or legal guardian.

**November GREENSHEET Deadline**

The deadline for the November Newsletter is Wednesday, October 2nd.

The LaFayette News (Greensheet) is published eleven times per year and is available online @ [lafayetteschools.org](http://lafayetteschools.org).

This year, BOCES will be preparing and mailing the Newsletter. We must adhere to each month’s deadline in order to publish the issue in a timely manner. All material is subject to editing. The District has the final decision whether or not to publish an article.

Information should be sent to: [ritabush@secny.net](mailto:ritabush@secny.net) It is requested that all articles be emailed in Word format whenever possible. Pictures should be emailed in JPG format at 300 dpi. It is important that a photo is not inserted or embedded within the actual Word article.

Your adherence to these requests is greatly appreciated.

## *From the Desk* OF THE BOARD OF EDUCATION

Hi Folks;

This month, I have been tasked with providing background information on the Capital Improvement Project and the vote by the tax payers to approve the creation of a bond to pay for the project.

The overall project mission is four fold:

1. To maintain current infrastructure @ Jr./Sr. HS, Grimshaw and District Office (per state requirements).
  - a. Roof Replacements
  - b. Energy Performance upgrades to HVAC Systems
  - c. Replacement of mechanical equipment
2. To address and improve operational safety and security issues at Grimshaw and the Jr./Sr. High School.
  - a. Improve security at building entrances
  - b. Enhance building monitoring
  - c. Create a dedicated parent drop off loop at Grimshaw
3. To improve and maximize building space.
  - a. Physically align “Project Lead The Way” with Math and Science.
  - b. Redesign space in the LGI and Auditorium to enhance the Vocal and Instrumental Music curriculum, as well as the space for concerts and musicals.
  - c. Renovate existing space at the Jr./Sr. HS Campus to create a dedicated “Big Picture School”.
4. Maintain fiscal responsibility.

The critical dates on the “Time Line” for the project are as follows:

- 1st Informational Presentation – Wednesday September 25th @ 6:00 PM in the LGI
- 2nd Informational Presentation – Tuesday October 15th @ 6:00 p.m. in the LGI
- Budget vote – October 25th , 2013
- Projected Beginning of Construction – December 2014
- Projected End of construction – August 2015

The cost of the entire project will be \$12,477,222. The portion of the cost that the tax payers in LaFayette will be responsible for will be between \$70,000 and \$94,000. The tax payers costs will be spread out over the first four years of the bond repayment period. The greatest liability will be in the first year of the repayment period and will be in the neighborhood of \$70,000. The remainder of the cost will come to the district via NYS Education Department funding.

The project is considered by the Board of Education and the Administration of the LaFayette Central School District to be necessary to continue to provide our children with a positive educational experience that allows them to successfully and enthusiastically pursue their interests and ensures that they are fully prepared to take the next step in their lives post public high school.

Please be sure to put these dates in your calendars so that you will have the time to come to the informational meetings to prepare yourself to cast a well informed vote.

Thank you all for the continual support for our schools in LaFayette.

Sincerely,  
Tom Scofield  
Board of Education President

## CURRICULUM CONVERSATIONS

Paula Cowling, Director of Curriculum and Instruction

Opening day of the 2013/14 school year for staff began with presentations by two guest speakers, each with a unique message, yet both recognizing the impact educators can and will have on our children.

Jake Edwards of the Onondaga Nation began by translating a message of Thanksgiving to Mother Earth and the Creator. He followed with an abbreviated history of the Haudenosaunee and the relationship with settlers. Using the Hiawatha belt to illustrate, Jake explained how the five Nations of the Mohawk, Oneida, Onondaga, Cayuga and Seneca, once enemies, came together in peace (later the Tuscarora joined, forming the Six Nations). He explained how the model of democracy, as seen in the US Constitution, came from the Haudenosaunee. As a student, Jake said History class was often in conflict with the history he had learned from his elders and stressed the importance of learning from other cultures and appreciating cultural differences. Jake explained the Two Row Wampum treaty, a treaty between the Dutch and the Haudesosaunee. The Wampum belt showed how the Dutch and the Haudenosaunee could travel side by side, as in canoes on the same river. 2013 marks the 400th anniversary of this important treaty with the Two Row Wampum Renewal Campaign.\* Jake introduced Andy Mager of NOON (Neighbors of the Onondaga Nation), who showed a video of the 13-day canoe trip down the Hudson River to NYC, concluding at the United Nations. Natives and non-Natives paddled side by side in the spirit of the Two Row. Jake ended with an invitation to attend a ceremony marking the anniversary of the 1794 Treaty of Canandaigua which occurs in Seneca Falls annually on November 11th.

Jake Edwards speaks to LaFayette School staff on September 3rd.

Our second speaker was Yvonne Conte, a motivational humorist and author who indeed got us laughing—and thinking. She used some personal anecdotes when talking about how our perceptions are often based on limited information, misinformation, or even prejudices. She urged us to consider how changing how we look at things can lead to increased happiness. Moving slightly away from her intended speech, Ms. Conte told the story of her daughter and how one high school teacher literally changed the course of her life. Ms. Conte emphasized how even small things that a teacher does can have life-long implications.

While Jake Edwards and Yvonne Conte each came with a specific purpose and intent, there was a subtle yet unifying theme. Both were educators who spoke of the importance of teachers and what they teach, intended and unintended. Both spoke of respect for ourselves, for each other, both spoke of peace—in ourselves, in our world.

## Water Reporting

As required by County & State regulations, water samples were taken from District wells for analysis by Don Warnow, Safety Officer of OCM BOCES, on August 26, 2013. The samples were then sent to Microbac Laboratories.

The reports indicate that the water supplies were of a satisfactory, sanitary quality for all locations. However, C. Grant Grimshaw water supplies tested slightly higher than 20 mg/l of sodium. Although there is not a set maximum level for sodium, it is recommended by the County that people on severely restricted sodium diets should be made aware.

Therefore, for those that may be on a severely restricted sodium diet, it is recommended that caution be used when consuming the water from the Grimshaw and the Onondaga Nation Schools.

## Emergency School Closings

During the school year, there may arise an emergency situation when school may close, or be delayed, or dismiss early, i.e., weather emergencies.

INPUT**

*From the Desk of the  
JSHS Principal*

Dear Parents and Students:

We would like to thank everyone for such a wonderful start to the school year and we look forward to seeing you at the upcoming Open Houses. Around the 11th of October, you should be receiving a copy of your child's first 5-week progress report. If you have any questions or concerns about the grade and/or comments on the report, please be sure to visit this link <https://sisportal.cnyric.org/portal/login?districtNo=600009>. Information on how to access your child's grades can be found online as well as in the 5-week report mailing. If you are unable to locate the answer there, please contact the Guidance Office to setup an appointment with your child's teacher(s). Remember that you may e-mail or leave voicemail for your child's teacher at any point during the course of the school day.

A few important dates to remember: there will be no school for students on Friday, October 11th, and Monday, October 14th, due to Superintendent's Conference Day and Columbus/Solidarity Day.

As always, please contact us with any questions or concerns at 677-3131 or [jblossey@lafayetteschools.org](mailto:jblossey@lafayetteschools.org).

Sincerely,

Mrs. Jennifer M. Blossey, Principal  
LaFayette Junior-Senior High School

**Guidance News**

Guidance presentations took place for Grades 11 and 12 in September. The presentations were held in the computer room. The purpose is to provide the student with information of what they need to do as he/she prepares beyond high school.

If you have not done so already, Seniors should be making an appointment with Mr. O'Leary to discuss their senior checklists and graduation preparation. College planning will be a main topic during this meeting and parents are encouraged to attend. Please call 677-7849 to set up an appointment time. At this point in the year, the senior college application process should be well under way.

**SAT**

All Seniors should complete SAT testing by the December 7th test date to ensure that scores will be returned in time for colleges to utilize the results. Register at [www.collegeboard.com](http://www.collegeboard.com).

**PSAT**

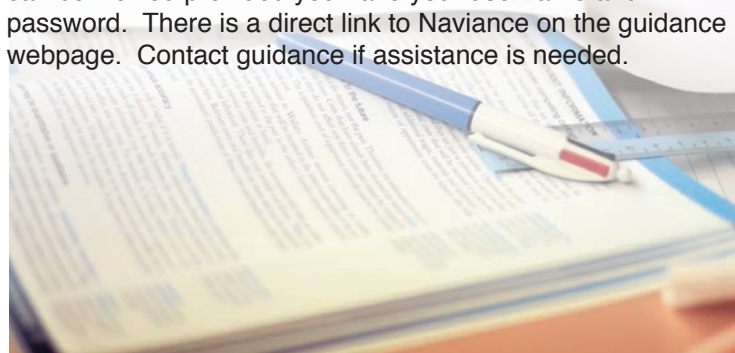

The PSAT will be held on Wednesday, October 16. Cost is \$14. This test is open to all Juniors and those Sophomores who are in the accelerated math program. Sign up in the guidance office.

**PLAN**

All sophomores can take the PLAN test on Wednesday, November 27. Cost is \$13. This exam can assist students in preparing for the ACT and other national college entrance testing programs. PLAN also helps to identify career interests and relates these to educational and training requirements.

**Scholarship News/College Representatives**

All scholarship information and college representatives visiting our high school are listed in Naviance. This program can be viewed provided you have your username and password. There is a direct link to Naviance on the guidance webpage. Contact guidance if assistance is needed.

## ◆ The BIG PICTURE School News ◆

Big Picture is off to a great start. We celebrated the return to school with the staff making breakfast for our students. Developing a positive school community is essential to the success of our school. We work on our school culture starting the first day. We played an ice breaker game to get to know each other and identify some of our similarities.

Students then moved into advisories where they started setting individual goals for the school year. We enjoyed a beautiful day for physical education outside with games of basketball and volleyball.

Students are planning their internship experiences and all of their academic goals for the quarter. We have great energy and are excited to see what our students will accomplish this year.

## PRINCIPAL COMMUNICATION

*From the Desk of the Grimshaw Principal*

I am excited to introduce to you the future Graduating Class of 2026:

Over the past year, we have implemented several targeted changes in the areas of ELA and Math so that we may increase the rigor of our instructional programs. Most recently, the 5th and 6th grade teams have developed a plan to redesign their Fridays to incorporate more time for students to explore mathematical concepts. Below are some of the highlighted changes that we have initiated. We will continue to monitor our students' academic progress as we always look to make improvements in our instructional programs.

- Expanded phonemic awareness / phonics interventions for Grades K-1
- Expanded our Math intervention services in Grades K-3
- Increased Rigor of Kindergarten Benchmarks
- Increased instructional time in Grades K-6
- Redesigned our Math and ELA intervention services in Grades 4-6
- Instituted an ELA enrichment program for Grades 4-6
- Adopted Common Core aligned PK-6 Math Programs

Each year, we assess our building security infrastructure and review our procedures/protocols. Our administrative team met with a regional safety and security specialist to review and update our procedures and protocols. In addition, I worked with members of the Board of Education, our Superintendent, and our architects to identify areas for improvement in our building security infrastructure. Our School Board is putting forth a Capital Improvement proposal to the community on October 25th. Additional information can be found on our district webpage. However, please feel free to contact me about specifics.

## FIRST GRADE SCRABBLE

*Scrabble Searching!*

Mrs. Terrell's first grade class is in need of old Scrabble letter tiles. If anyone has an old game that they no longer use, or you see one at a garage sale, please consider donating it to our classroom. You can drop it off at the Grimshaw office during school hours.

Thank you.

## FREE BOOK EVERY MONTH

The GAPS' Imagination Library program provides a free book each month to every child who is under the age of five that resides in the LaFayette Central School District. Each participating child will receive their free book through the mail until their fifth birthday.

Families may register their children by e-mailing the following information to [gaps@lafayetteschools.org](mailto:gaps@lafayetteschools.org)

Please include the following information:

**Child's Name**

**Birth Date (Month/Day/Year)**

**Names of Parent(s) / Guardian(s)**

**Mailing Address**

**Phone #**

# Health Office News

Dear Parents,

I hope you've enjoyed the beautiful Fall we've had so far! I know it's a busy time of year for everyone getting back in the school routine. Hopefully, your child's school year is going well!

We've been pretty healthy here so far this year. There have been some illnesses-- mainly colds and allergies. If your child is diagnosed with a specific contagious disease such as strep throat, please let me know so I can notify other parents if necessary. We have not yet had any cases of "Influenza-like illness" which is defined as a fever >100 accompanied by a cough and sore throat. I encourage you all to get those flu shots! It is also very important to keep any child with a fever home until they have been fever free for 24 hours without the aid of medication and feel well enough to return to school.

Many children are suffering with allergies/asthma this time of year. If your child needs an inhaler, please be sure we have one available in school. If your child has a severe allergy requiring an EpiPen for emergency use, please be sure to bring it in with a new order if you haven't already done so. Remember, all meds must be renewed each year. They don't hold over from year to year. All meds require a physician's order. This includes over-the-counter as well as prescription meds.

All students in Pre-K, Kindergarten, 2nd and 4th grades, as well as those new to the district, should have a physical on file or have notified me of the date it's scheduled to be done. Be sure to send in a copy when it's completed. Thanks to all of you who have already sent in this information.

A big "thank-you" also to all the parents of Pre-K, Kindergarteners and 6th graders who got their immunizations in on time! Your cooperation is certainly appreciated!

As most of you know, 6th grade students who are 11 yrs. old need to have a Tdap vaccine to enter 6th grade. This is an ongoing requirement so 5th grade parents need to keep this in mind for next year, too. If your child turns 11 after school starts, they must get their Tdap as soon as possible after their birthday.

Please be sure your child has sneakers to wear on the playground as this prevents many accidents caused by flip-flops/sandals. If your child is in the primary grades please send in extra play clothes with them in case they need to change for any reason.

Please keep updating emergency information throughout the year as it is important we be able to reach you quickly in an emergency. Again, thank-you for all your cooperation on the above!

If you have any questions/concerns please feel free to call me.

Sincerely,  
Paula Bush, Grimshaw Nurse

### LaFayette Athletic Booster Club News

Welcome to our new officers: President, Lisa Shenandoah-Kurtz and Secretary, Mackenzie McElhannon. (email: Mmcelhannon@lafayetteschools.org) We are especially grateful to these members of the community for stepping up to help out, even though their own children are not yet old enough for varsity sports! They join Ellen Coulter (Vice President) and Tracy Schumacher (Treasurer) to keep the Booster Club alive in LaFayette.

The Annual Varsity Dinner was held last June at Orchard Vali Golf Club. Congratulations to the following award recipients:

Coach of the Year: Abigail Lerch (Storrier), Varsity Volleyball, who led her team to the Class D state championships this year.

Mark Lasky “Extra-Mile” Award: This award commemorates Mark Lasky, the coach who was responsible for reinstating Football in our district and truly epitomized “going the extra mile” to improve the experiences of students participating in organized sports. The 2013 recipient, Greg Harder, Assistant Football Coach, has coordinated yearly fundraising events at the Carrier Dome, developed a summer football camp at Utica College for members of our varsity and modified teams, and has worked with Coach Karl Seeman to inspire true teamwork among the LaFayette and Fabius athletes.

Allison Field, Shannon Knapp, Jamus Mulholland,  
Ivan Schneible and Christopher Mueller*

Gordon Ohstrom Athletic Scholarship & LaFayette Athletic Booster Club Award: One male and one female are selected from among senior class applicants. Criteria for selection includes the number of seasons played as a varsity athlete, awards and recognitions, and the amount of time spent volunteering at Booster Club events. Recipients were: **Christopher Mueller & Shannon Knapp – Gordon Ohstrom Athletic Scholarship** and **Ivan Schneible & Allison Field – LaFayette Athletic Booster Club Award.**

Jim Munnell Award: Senior Jamus Mulholland took home this award which is presented in memory of Jim Munnell, who is remembered for his dedicated service to the Booster Club and the LaFayette community. The recipient is a high school student who embraces the spirit of volunteerism that was embodied by Jim.

Special Recognition Award – Senior Cassley Jackowski was also recognized by the Booster Club for becoming the first LaFayette Basketball player to score 1,000 points.

The Booster Club needs YOU to help make chili for the Apple Festival. Everyone is welcome! When? **Thursday, October 10th at 3:00 p.m.** Where? **LaFayette Fire Barn, US Route 11**

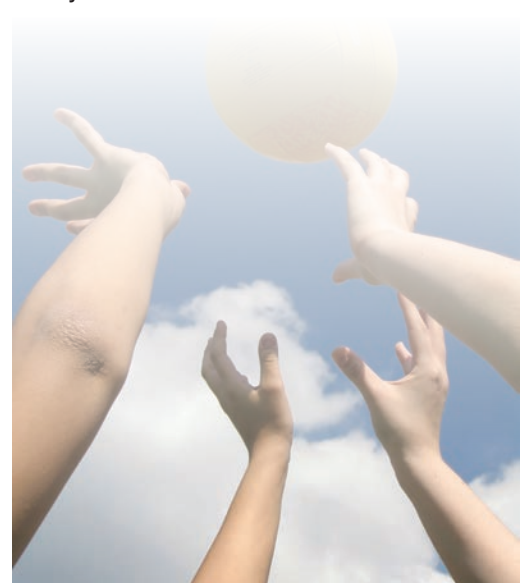

Coming Soon! The Booster Club on Facebook. In the meantime, don't forget to check our website for upcoming meetings, minutes and events: <http://www.lafayetteschools.org/teacherpage.cfm?teacher=346>

### Girls Modified Volleyball

Mark your calendars. All girls in 7th and 8th grades are encouraged to try out for the girls' Modified Volleyball Team! Tryouts start on Monday, October 28th in the Grimshaw gym. Tryouts will be held from 3:30-5:00 p.m. If you are at the High School or Onondaga Nation School there will be a bus to transport you after school to Grimshaw for tryouts. There are no late sports buses, so remember to have your ride pick you up at Grimshaw at 5:00 p.m.

Please make sure you have had an updated physical before tryouts start. There will be sign-up sheets at the schools to sign up, and there will be an announcement to let you know about our pre-season meeting. It will be an exciting year! See you all soon.

## Community Council News

**AppleFest Volunteers!** *It's not too late to sign up to help at the Community Council Pizza Booth either Saturday, October 12th, or Sunday, October 13th. ## LaFayette Public Library News

Our Story Hours are **Wednesday at 10:15 a.m.** and **Thursday at 6:30 p.m.** Please come and join us!

We would like to remind you that we do circulate two **Nooks**. They have about 150 titles downloaded. For books on your own device, go to [www.onlib.org](http://www.onlib.org) and go to the digital download catalog, where you can download audiobooks and eBooks for free with your public library card. We (the county libraries) are increasing the amount of eBook titles by the day. There are instructions there to download your eBooks. For any questions, please call 677-3782 and ask for Scott. The library system has also taken on another vendor for ebooks – you will notice in the catalog the icon for “3M” which is ebooks only (no audio or video). You can download ebooks to your Ipad and other devices, as well

We have been getting many of the latest feature films on DVD, as well as many popular adult and juvenile audiobooks on CD. In addition, we are expanding our video game collection.

**We are offering computer training for our patrons.** This will be one-on-one

sessions by appointment only. Please call 677-3782 and ask for Scott to make arrangements.

At the circulation desk, we have a publication called “Book Page”. It has up and coming novels, reviews, author interviews and much more. Pick up your free copy anytime. You can also view it on [www.bookpage.com](http://www.bookpage.com).

We would also like to remind you of the Grimshaw program for **free books for preschoolers**. We have the information at our circulation desk. We ask you to supplement this early literacy experience at our story hours.

We are always looking for fresh ideas for programming at the library. If there is something you would like to see or would like our help facilitating, please feel free to call and ask for Scott – 677-3782.

The **LaFayette Library Quilters** hand-quilt old or new quilt tops. The fee charged for the quilting is donated to the LaFayette Public Library. If you have a quilt top that you would like hand-quilted, please contact the library at 677-3782 and a quilter will call you. Thank you!

**INITIAL NOTIFICATION TO PERSONS IN PARENTAL RELATION AND STAFF PURSUANT TO SECTION 409-H OF THE STATE EDUCATION LAW.\***

Dear Parent, Guardian, and School Staff:

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The LaFayette Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- a school remains unoccupied for a continuous 72-hours following an application;
- anti-microbial products;
- nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children;
- boric acid and disodium octaborate tetrahydrate;
- the application of EPA designated biopesticides;
- the application of EPA designated exempt materials under 40CFR152.25;
- the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form below and return it to the School. For further information on these requirements the School pesticide representative is: James E. Kesler and may be reached at: 5955 Route 20 West, LaFayette, NY 13084. Phone: 315-677-7725 or fax 315-677-3372
