

“Gahwa ji ya gehan En yonde hga” “They Gather the Families”

The Onondaga Nation Family Night, held on March 13th, included guest speakers and presenters, as well as arts and crafts instruction by ONS teachers and volunteers, who guide community members to explore their many traditions.

Families had the opportunity to connect with other community members and a delicious dinner was catered by the FireKeepers Restaurant. There was a Social in the ONS gymnasium to end the evening's occasion.

Everyone was invited to come and join us.

Private Transportation Request Due April 1

New York State Education Law Section 3635(2) requires that a written request be made to the Board of Education of a School District when transportation of a student to a non-public, private or parochial school is required. This written request must be made annually and received by the school district no later than April 1st for transportation for the next school year. Most non-public schools have a form available to make this request and can be contacted for assistance.

Please have these written requests sent to Attn: Vanessa Tryon, LaFayette Central School District Office, 5955 US Route 20, LaFayette, New York 13084 no later than April 1, 2019.

Legends of Learning

JESSICA GIORDANO

Congratulations to our February 2019 Legend of Learning, Ms. Jessica Giordano. Ms. Giordano is our 201 Advisor and Math teacher at LaFayette Big Picture School. Jessica is a caring, dedicated staff member who likes to make learning fun and build positive relationships with students and coworkers.

The individuals who nominated Jessica shared:

Although this is only Jessica's second year at Big Picture, it feels like she has been here from the beginning. Jessica worked diligently to learn the Big Picture Learning philosophy and the way we implement the philosophy here in LaFayette. Not only is Jessica an advisor to her 15 students, but she is also the Quantitative Reasoning specialist for all of the students in Big Picture. Jessica prepares students for the Algebra Regents while also supporting students with incorporating math into their project work. Jessica enters every day with great energy, enthusiasm and sometimes a little too much coffee. Jessica is playful and takes the role of prankster at Big Picture while balancing the seriousness of her job. Jessica is committed to the success of all of her students and tends to each student and their family with respect and care.

Another individual shared:

Jessica is a caring, considerate, and creative teacher. She is the hardest working teacher that I know. She is always putting the needs of her students first and tailoring instruction

for specific student skill levels. In addition, she is kind and always takes the time to understand her students emotional needs. Jessica is always working towards improving herself as a teacher so she can better meet the needs of her students. Somehow, Jessica always keeps a positive attitude despite the obstacles she faces and her humor makes our school a better place.

Another person shared:

Jessica is our little sister of the building, she is always happy, upbeat and silly. Also, if a harmless prank was pulled on you, it was most likely Jessica! Jess puts all of her energy into the needs of every student in our building and goes above and beyond to make each student feel worthy. Just last night she stayed late after school to help a 7th grade Jr. High Student with math. Jessica's energy and commitment to our BP family always amazes me!

One of our students shared:

Jessica has helped me while I was struggling in math. I was very nervous about a test and I went down to BP and she helped me understand the problems. She stayed with me until 4:00 and made me feel more confident in myself. She made sure I knew what I was doing before I left. Thank you Jessica!

Please congratulate Ms. Jessica Giordano as the Legend of Learning for February 2019.

Thank you for your continued commitment to excellence!

Message from the SUPERINTENDENT

The month of February flew by. We had an exciting conclusion to our winter sports season with several teams and athletes qualifying for sectionals. Our men's and women's varsity basketball teams had many outstanding games this season. It was exciting to see both basketball teams work together on both offense and defense. Congratulations to all of our winter athletes and coaches on a great season. Thank you to our fans for coming out to support our teams.

The high school musical was held on Friday March 8, 2019 at 7:00 PM. Our students performed "The Little Mermaid". Our students worked very hard and the performance was amazing.

During the month of March, we will finalize our school district budget for 2019-2020. Thank you to community member Lisa Kurtz-Shenandoah, staff member Eliza Bailey, and our administrators and supervisors for their input during our community budget meetings. We will have budget updates at both board meetings during the month of March and we are looking forward to the public voting on our proposed expenditure plan on May 21, 2019 from 1:00-9:00 PM at the Jr/Sr High. Regular updates will be posted on the budget webpage located on our website.

Our proposed 2019-2020 school district budget includes all of our current opportunities for students including access to many college credit courses, great programs in the fine and performing arts, and engineering/robotics courses. For 2019-20, we are proposing the following enhancements for our students; additional sections at the elementary level to keep class sizes low and additional hours for school security staff. We now have the equivalent of one full-time security guard at each of our schools. Our proposed spending plan will provide all of these great opportunities for students while keeping our school property tax rate one of the lowest in Onondaga County while remaining compliant with the property tax cap limit.

One of the challenges with our budget process is the minimal increases that we have been seeing from New York State when it comes to school aid. LaFayette CSD board members and I have been meeting with our state representatives to share with them the success of our students and to inform them of our needs. Our school district relies on 60% of our revenues from state sources. The governor's executive budget proposal provided a meager 1.3% increase in foundation aid for LaFayette. Last year, LaFayette received a 3% increase in funding and we planned on receiving at least a 2.5% increase each year from New York State. If you have the opportunity, please consider reaching out to our state representatives to let them know that we appreciate and need their continued support for students in LaFayette. Our state representatives are: Assembly Members Gary Finch and Pamela Hunter, and State Senators Rachel May and Bob Antonacci.

Thank you to our students, staff, and school community for your continued support!

*Sincerely,
Jeremy Belfield, Superintendent of Schools*

PLEASE NOTE:

**Students will now be
IN SESSION on
Monday, March 18th.**

We have used all six of our emergency closing days this school year. We are looking to recover some of the lost instructional time due to snow days and we will postpone our staff development day to minimize disruptions to instructional time.

Health Office News

“In the spring, I have counted 136 different kinds of weather inside of 24 hours.” – Mark Twain

Mr. Twain must have been in CNY when he witnessed this phenomenon because I think we can all relate. Hopefully, with spring on the horizon, we can finally put an end to the illnesses that have plagued us this winter. Please continue to notify us if your child is ill and will miss school, especially if your child has a confirmed case of the flu, strep, or conjunctivitis. It is very important to keep children home 24 hours after they vomit or start taking antibiotics. They should also be fever free for 24 hours, without the aid of medication, following any illness before returning to school. Please provide documentation from the medical provider for any injury your child sustains so that we may provide the necessary care during the school day. Certain injuries may require modifications to the student's classroom assignments, as well as refraining from physical activity.

It's never too early to plan for next school year, and with that in mind, please be aware of any immunizations your child will require. State law requires that all students have the necessary immunizations within 14 days of the start of the school year, or they will not be permitted to continue the school year. All children who are entering 6th grade and have turned 11 will need to have a Tdap vaccine before starting school in September. For those students entering 7th grade, one dose

of meningococcal vaccine is required. All 8th and 9th grade students who have not received the vaccination are required to have a dose as well. Students in 12th grade are required to have two doses of meningococcal vaccine, or one dose if the first dose is administered at 16 years of age or older. Letters will be sent home detailing all immunization requirements.

ONS pre-K and kindergarten screenings are being conducted June 4th, 5th, and 6th. Grimshaw pre-K and kindergarten screenings are being conducted May 28th, 29th, and 30th. Please call to make an appointment if your child will be starting school in September.

Vision screening will again be sponsored by the Lion's club, through a program called, "Lion's See." Check out their website at www.lionsseeny.org for more information. You will receive the results of the screening if it is recommended your child be seen by an eye care professional.

Sports physicals are conducted at the high school three times a year, usually in October, March, and June. These are intended for those students playing a sport, who haven't had a physical exam within the last year. Please provide a copy of your child's physical exam each time they receive it, otherwise it will not be on file.

Happy spring!

Sincerely,

Jennifer Gates

◆ Onondaga Nation School News ◆

From the Desks of
**JOHN GIZZI &
SIMONE GONYEA**

Melissa McElroy-Elve and other ONS staff members-Pat McCoy, Brianna Sullivan and

Sunshine Ouimette, introduced the characters and some hints of the book's adventures in the Culture Center. Students and adults alike were drawn into the book amidst smiles, laughter and appreciation.

In addition to the *South Pole Pig* activities there were community agencies present to provide information for students and their families. The Syracuse YMCA had information and a cool tower building activity. The LaFayette Library drew children into STEM related ideas with robots. The Nation Clinic had a table with a game, "character cupcakes", and information on supportive clinic services. The Girl Scouts tables presented a unique cup moving challenge, along with pens and bracelets with positive messages. ONS had its last Family Night for the year on Wednesday, March 13th. We devoted the last Family Night to sharing our plans for testing our student this Spring in ELA and math. We are very excited to move forward.

ONS was honored and fortunate to have Cindy Martin come and present to ONS staff, students and community members on February 27. Her message was one of cultural reconnection and realization of self. Ms. Martin utilizes a very powerful concept she presents in the literal and symbolic form of tree rings, concentric circles containing significant natural and cultural ideas and objects. She has guided many people, both old and young, on their personal journeys of self realization with the model of tree rings connected to the roots of the Great Tree of Peace. Her message was so very powerful and relevant. We look forward to learning more from her and working in partnership so that we can support the social and emotional well being of our school community.

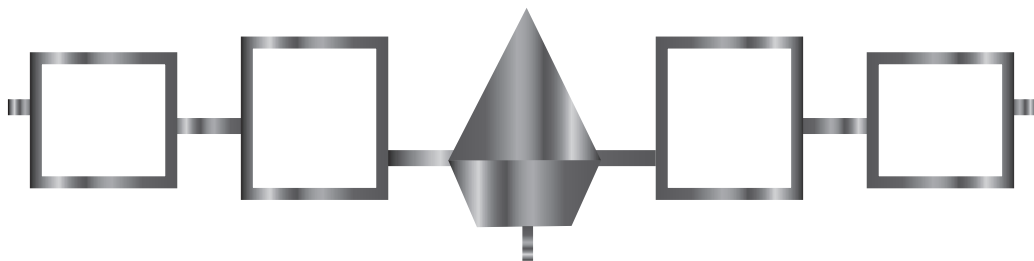

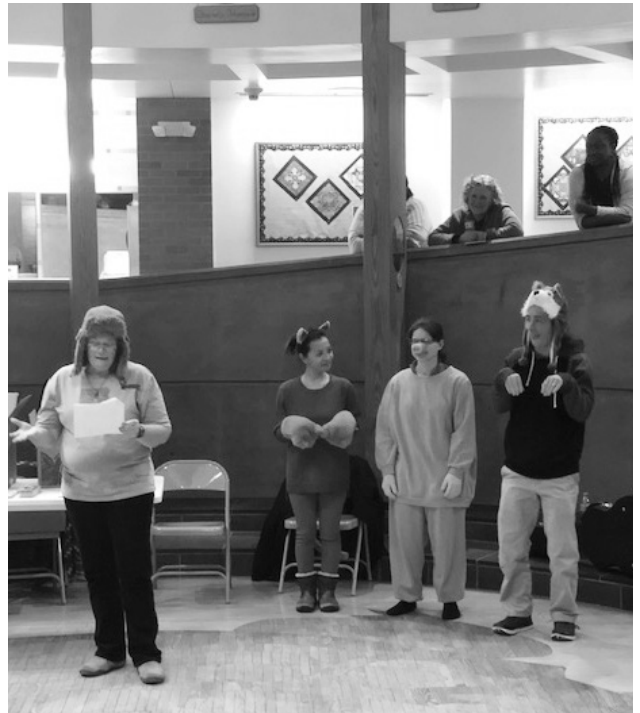

Students in grades PreK through 3rd grade celebrated the 100th day of school on February 28th. The snow day had changed the celebration date several times, but we finally got our celebration on. So many students brought in 100 items to share and count. The students traveled in mixed groups to various stations to color, cut, decorate, design, stack, and move with 100 in mind! Special thanks to the bakers who shared 100 cupcakes with our entire school community!

As winter winds down we are planing for spring activities. On March 15, ONS staff and students will show off their talent in our yearly talent show.(tough to beat last years' staff line dancing!). The plans have begun for Spring Dinner, Academic Galleria, and Community Give.

And lastly, nyawenha to community members, family members, and parents who have given of their time and themselves to come in and sit with students at lunch time--so very happy to see community coming into ONS.

On February 20th, ONS hosted another fun and successful Family Night. Thank you to Firekeepers for another great meal.

The main focus of the evening was kicking off the "Two Schools, One Book" Project, the *South Pole Pig*, a joint reading project between the Onondaga Nation School and Grimshaw Elementary.

ATTENTION 8th GRADERS

BIG PICTURE OPEN HOUSE

Tuesday April 23rd

6-7:30 pm

Big Picture Common Room

(3122 Rt. 11 North)

If you are interested in learning more about Big Picture please attend.

We will discuss our daily routines, unique teaching and learning styles, as well as our one-student-at-a-time approach through individualized learning plans.

Staff, current students, and parents will be available to answer questions and talk about projects they have completed.

We hope to see you there!

◆ ATHLETIC DEPARTMENT NEWS ◆

Congratulations!

Grace Dow

Charlotte Ryan

Congratulations to the following members of the Varsity Girls Basketball team who were selected to All League teams:

Grace Dow – 1st Team

Charlotte Ryan – 1st Team

Grace Quick – 2nd Team

Grace Dow – Patriot American Player of the Year

Rick Storrer – Patriot American Coach of the Year

Congratulations to the **Varsity Girls Basketball team** on winning their first league title and for winning the most games (18 games) in school history.

Congratulations to the **Varsity Boys Basketball team** on an outstanding season and winning their league title for the first time since 1982.

Congratulations to the following members of the Varsity Boys Basketball team:

Reid Jackowski – Patriot American
Co-Player of the Year

Isaac Dow – Patriot American
Co-Player of the Year

Kyle Tracy – 2nd Team All-League

Dylan Lyons – 2nd Team All-League

Jerry Kelly – Patriot American Coach of the Year

Reid Jackowski

Isaac Dow

◆ ATHLETIC DEPARTMENT NEWS ◆

Congratulations, Past Hall of Famers,

on your induction into the LaFayette High School Sports Hall of Fame...I'm sure that you were as surprised and honored as I was when notified of my selection in 2017!

I was extremely impressed by the effort and dedication of the Hall of Fame Committee to breathe life into an overdue tribute for all of the well-deserving student-athletes. To date, 190 athletes, coaches, contributors, and teams have been inducted.

Equally impressive were the corporate sponsors that immediately stepped forward to assist by delivering sponsorships in order to make the Hall of Fame a reality. Their donations directly assist in sustaining the Hall of Fame induction by subsidizing the dinner, plaques, event brochures and many more behind-the-scenes items that make the induction dinner and ceremony a "World Class" event.

I'm writing to you to ask for your help in continuing the level of excellence for our future Hall of Fame inductees: Would you consider making a donation to the Hall of Fame Committee?

Following my induction, I realized it would take a Team of Lancers to assist in sustaining the quality of this event for years to come. Pat and I then made a donation with the intent to offset the cost of this event - Lancer Pride moved us to do so!

Please consider making a donation in an amount of your choosing, a one-time or annual donation...your generosity will ensure that the future is secure for Our Lancer Hall of Fame.

To the right is a letter supplied by the Hall of Fame Committee for your consideration, outlining the details and how your donation will assist.

Thank you for allowing me to reach out to you and share my commitment to this worthy cause. I hope you'll join me in support of the LaFayette High School Sports Hall of Fame!

Mike Shute, '71

LHS Sports Hall of Fame Class of 2017

The LaFayette High School Sports Hall of Fame is recognizing the value of accomplishment through hard work, dedication and the benefits of being a contributor to something larger than the individual.

The LaFayette High School Sports Hall of Fame is focused on highlighting and maintaining the rich heritage and tradition of excellence in the athletic programs at the LaFayette High School. Additionally, it will serve as a means of recognizing, preserving and honoring the winning spirit of our athletes, teams, coaches and individual contributors who have been an integral part of the success of LaFayette's athletic programs.

The LaFayette High School Sports Hall of Fame committee has aligned with the LaFayette Athletic Booster Club, a 501c3 not-for-profit organization. To support this initiative, the school district has renovated part of the high school to serve as a showcase for our inductee's accomplishments. The members of the committee have created a Hall of Fame Wall located in the Jr/Sr High School.

The members of the committee are very excited to honor those individuals who have provided the people in the Town of LaFayette inspiration and pride in our community. Three classes of inductees have already have been enshrined and we are working on our class of 2019.

We are asking if you would be willing to donate to the LaFayette High School Sports Hall of Fame to help us offset our cost. If you would, please send your tax deductible contribution payable to: LaFayette Athletic Booster Club and mail to LaFayette Athletic Booster Club, PO Box 294, LaFayette, NY 13084, Attention: LaFayette Sports Hall of Fame.

Corporate Sponsors:

Corporate Sponsors have the opportunity to become a "Named Corporate Sponsor" by making:

- \$3,000.00 Contribution – This contribution will receive corporate recognition in the program at the Induction Ceremony. Your name will also be prominently displayed at the ceremony. In addition, you will get a corporate sponsored table, and tickets for eight people will be reserved at the November 3, 2018 event, and you will be recognized from the podium during the ceremony.

- \$2,500.00 Contribution – This contribution will gain the corporation recognition in the program for the Induction Ceremony. Your name will also appear on a banner at the ceremony.

Individual Sponsors: Includes being listed in the program

Levels of Contributions have been identified as:

All Section ---- \$25.00-\$99.99

High School All Section --- \$100.00 - \$299.99

College All American --- \$300.00 - \$499.99

Champions --- \$500.00 - \$999.99

Legendary Legends - \$1,000.00 and above – this includes a personalized half page recognition in the induction program (ie: best wishes, memorial, etc.)

We thank you for your time and consideration in becoming part of the "LaFayette High School Sports Hall of Fame". We look forward to receiving your donation in the near future.

*Sincerely ~ The LaFayette High School Sports
Hall of Fame Committee*

LaFAYETTE COMMUNITY COUNCIL NEWS

Youth Sports

Basketball: For boys and girls in grades 3&4 begins Saturday, March 2 at 12:00 noon. Flyers with additional information and a registration form will be sent home from school. Registration form and fee can be brought to the first practice. The session will run for six weeks.

Volleyball: This program is for girls in grades 3-6. The first practice will be Saturday, March 2 at 2:00 p.m. Flyers with additional information and a registration form will be sent home from school. Registration form and fee can be brought to the first practice. The session will run for six weeks.

If you are interested and able to help out with the basketball or volleyball programs – AND WE DO NEED YOUR HELP - please contact LCC at 677-7272. We cannot offer these programs without volunteers who are willing to share their expertise as coaches. Thank you.

Baseball and Lacrosse: Registration for the baseball and lacrosse programs will be Saturdays, March 9 and 16, 12-3 p.m., in the Grimshaw School gymnasium foyer. Flyers with additional information and a registration form will be sent home from school.

Pre-season **baseball and softball** workouts will be held April 13th & 27th, indoors, if necessary, at Grimshaw School gymnasium. Details will be available at baseball sign-up.

Coaches are needed: As spring approaches, LCC is in the process of planning the baseball and lacrosse seasons. Coaches are needed at all levels for both of these sports. Please let us know if you are planning to coach this upcoming season; we need to know of your intention to coach so that we may plan accordingly.

Other Programs

Walking: The hallways of Grimshaw Elementary School are available for walking weekday evenings from 6-8 p.m., until April 30, 2019. Please use the gymnasium entrance and bring dry footwear to wear while walking the halls. A note book will be provided in the gymnasium foyer for sign-in. The recreation path at Stafford Park is also available, every day, dawn to dusk. During the winter, only the south section of the path will be maintained for walkers.

Step Up To Stop Falls: This is a falls prevention program designed to raise awareness about falls and how to prevent fall-related injuries among older adults and includes an exercise class designed to improve strength and balance. LCC, in conjunction with the LaFayette Public Library, has arranged for yoga instructor, Kate Farrar, to provide this program. Call 315-677-7272 for additional information.

Adult Exercise

Daytime/Senior Exercise: Classes are held Tuesdays, Wednesdays, and Thursdays, 8:30 – 9:30 a.m. Classes are held at the LaFayette VFW on Rte. 11. The current session runs to March 28; the following session will run April 2 – May 9. The cost per session is \$36 and cannot be pro-rated. The walk-in fee is \$5 per class.

Yoga: Classes are held Mondays and Wednesdays, 6:30-7:45 p.m. at the Grimshaw Elementary School. The current session runs through June 19, 2019. The cost for this session is \$76 if attending class one night per week, either Monday or Wednesday, and \$152 if attending class both Monday and Wednesday. Fees cannot be pro-rated. The walk-in fee is \$5 per class.

WERQ® (This class replaces Zumba and Tabata): WERQ® is a dance fitness class that tightens and tones the entire body through athletic moves and dance steps. Classes are held Mondays and Wednesdays, 6:30-7:30 p.m. at Grimshaw Elementary School. The current session runs through June 19, 2019. The cost for this session is \$76 if attending class one night per week, either Monday or Wednesday, and \$152 if attending class both Monday and Wednesday. Fees cannot be pro-rated. The walk-in fee is \$5 per class.

Tai Chi: Beginner and advance classes. Call instructor Lynn Perrine at 315-677-8114 for details.

Men's Basketball: Monday evenings, 7-9 p.m. in the Grimshaw Elementary School gymnasium. Program runs through March 2018. Participants must sign a waiver, which are available online or at each session. The cost for this program is \$20 for the entire session or \$5 per week walk-in fee.

Thank you

LCC would like to thank the following individuals who volunteered their time and efforts as coaches for LCC winter sports programs.

Joe Greco - Girls grades 5 & 6 basketball.

Jim McElhannon, Richard Dix, Wayne Brennan and Jay Colburn - Boys grades 5 & 6 basketball.

Todd Briggs, Nick Moltion, Joe Clemens, Steve Albro, Pat Dwyer, Chris Lawton - Wrestling.

Community Council Board Meetings are scheduled for 7 p.m. on the first Thursday of each month
NEW - "Open for Business - Town Hall Tuesday Nights" at the Town Offices every Tuesday from 6-6:30 p.m.
