Dear Parent/Guardian:

The Onondaga Nation Council of Chiefs and the LaFayette Central School District have developed a procedure that must be followed if you reside off the Onondaga Nation and/or looking to transfer your child(ren) to the Onondaga Nation School (ONS) to attend school. No student will be allowed to enroll into ONS until the following occurs:

1. All educational information must be presented to the school and the Council. The information needed is updated report card, attendance report, discipline report, copy of IEP (if student is classified), birth certificate, updated immunization and and physical records.
2. Provide custody/guardianship paperwork, if applicable.
3. Documentation of residency. Phone bill, utility bill, lease or mortgage agreement.
4. Meet with the Council of Chiefs to receive written approval for enrollment.
5. Meet with the school principal to receive written approval for enrollment.

The attached ONS Student Enrollment Application must be completely filled out before a student can attend the Onondaga Nation School. Therefore, **do not** take your child out of his/her present school until you have verification that your child can attend ONS.
