

Congratulations to Ms. Anne Courtwright, Legend of Learning for December 2019. Anne is a Math teacher at LaFayette Jr/Sr High and also serves her colleagues as the President of the LaFayette Teachers' Association. When Anne is not at work, she enjoys spending time with family.

The student who nominated Ms. Courtwright shared:

Ms. Courtwright has helped me and other students learn at our own pace. For example, she spent a whole class period on a question until we understood it. Another thing after a test or a quiz she will let us review the answers and make corrections so we can learn from our mistakes. Also I was selling cookies one time and she gave more money than needed and told me to keep the cookies to sell. Ms. Courtwright has been a big help to other students as well and makes them understand. Also we have a lot of fun as a class. One more thing, when a student is misbehaving she tries nicely to tell them to stop and continues to teach.

Please join me in congratulating Ms. Anne Courtwright as the Legend of Learning for December 2019.

Thank you for your continued commitment to excellence!
