

Congratulations to Ms. Meagan Jean, Legend of Learning for May 2020. Meagan is a second grade teacher at Grimshaw Elementary.

The individuals who nominated Ms. Jean shared:

I've always respected Meagan Jean because of the recognition she has received as a teacher that takes Social Studies instruction seriously at even a younger age like 2nd grade. That means something to me. However, my real reason for taking the time to nominate her as a Legend of Learning is what a top to bottom rock star she is. My son is in her 2nd grade class. Not only does he compliment her regularly, which he has always been a fan of school and his teachers, but I have never felt more in the loop and informed about what's going on in his classroom. We've certainly had no complaints, and both our boys have had great experiences at Grimshaw thus far. But there's something special about Ms. Jean's ability to keep nonstop communication with her parents via a weekly e-mail, as well as little notes throughout the week if she happens to catch a cute photo of your child. You've got yourself a quality teacher in Ms. Jean, and I think she is hands down the textbook definition of a Legend of Learning.

Ms. Jean emphasizes important life skills in addition to her academic curriculum. She takes the time to address skills such as treating each other with respect and like a "family". How to look someone in the eye while talking and how to shake hands. She also allows the students choice in homework completion. Decision making is a huge,

but often overlooked skill - students at the high school level often have a difficult time with open-ended tasks. She is an exceptional teacher!

Please join me in congratulating Ms. Meagan Jean as the Legend of Learning for May 2020.

Thank you for your continued commitment to excellence!
