

Congratulations to Ms. Patricia (Pat) Sandusky, Legend of Learning for September 2020. Pat is our Network Administrator for LaFayette Central School District.

The individuals who nominated Ms. Sandusky shared:

Pat has worked very hard this summer to prioritize projects that directly impact student learning during this unprecedented time. Pat has worked to ensure that the district has enough bandwidth to accommodate distance learners. She has made sure that the new Promethean boards in each room are ready for students and teachers in September. Pat has worked hard to make sure that teachers who are using Google Classroom can integrate this application with School tool. Additionally, Pat oversaw the installation of the new campus wide notification system. This, all in addition to making sure that students and teachers have working, up to date computers. Without these efforts, we surely would not have the ability to effectively navigate these very unique and challenging times. We are fortunate to have someone as dedicated as Pat working to make sure these critical systems are in place for the students, faculty and staff here at Lafayette.

Please join me in congratulating Ms. Pat Sandusky as the Legend of Learning for September 2020.

Thank you for your continued commitment to excellence!
