Pat has taken on a brand new grade level, 2nd grade, transitioning from grade 6. Students in grade 2 have made tremendous strides, in a few short weeks, towards becoming responsible, respectful students. Pat supports and spearheads the Positivity Project for ONS and for his students. Pat and his grade 2 students did a demonstration on teamwork using PVC pipes and a fresh egg for the entire staff at our Closing Circle on 9/28/18.
