**ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background

---

Page Last Modified: 08/13/2021

**SUMMARY & BACKGROUND**

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

- ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.
- ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

*ESSER: 5880 - 21 - XXXX*

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

**ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background

---

Page Last Modified: 08/13/2021

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

- not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

Introduction/Instructions - Submission Instructions

---

Page Last Modified: 08/13/2021

**Submission Instructions**

LAFAYETTE CSD

420807040000

Directions for Submitting the Application:

- The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

- LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

- LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

*Office of ESSA-Funded Programs - Rm 320 EB*

*RE: ARP-ESSER Application – Part 2*

*New York State Education Department*

*89 Washington Avenue*

*Albany, NY 12234.*

Deadline for Submitting the Applications:

- The ARP-ESSER Application – Part 2 is due by August 31, 2021.

ARP-ESSER LEA Base 90% Allocation - Intent to Apply

LAFAYETTE CSD

420807040000

- 1. **Does the LEA intend to apply for American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) LEA Base 90% funding?**

Yes, the LEA intends to apply for Elementary and Secondary School Emergency Relief (ESSER) funding.

- 2. **Please provide contact information for the LEA Business Official and Board President. Please confirm that each individual has reviewed and approved of the application, including all plan descriptions and use of funds.**

	Name	Email Address	Date of Final Review/ Approval
LEA Business Official	Peter Mahunik	pmahunik@lafayetteschools.org	8/31/2021
LEA Board President	R. Shawn Reyburn	rreyburn@lafayetteschools.org	8/31/2021

ARP-ESSER Allocation - Construction-Related Costs

- 3. **Does the LEA intend to use American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) LEA Base 90% funding for construction-related expenditures?**

No, the LEA does not intend to use American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) funding for construction-related expenditures.

LAFAYETTE CSD

420807040000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

- 1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

LaFayette CSD connected with staff members, parents/caregivers and families regarding the use of federal funds. The district conducted a public hearing on June 10, 2021 and emailed families with information regarding the planned use of federal funds. The district identified key areas based on stakeholder feedback to address the safety, learning, and academic needs of students based on feedback from staff members and LaFayette CSD families.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

Page Last Modified: 08/26/2021

2. **In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

The plan will be publicly posted on the LaFayette CSD website: [www.lafayetteschools.org](http://www.lafayetteschools.org) and the plan is available upon request from the district office by calling 315-677-9728.

**ARP-ESSER LEA Base 90% Allocation - Program Information**

3. **In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

In conjunction with other available emergency relief resources, funds will be used to purchase air purification units for use in district classrooms and cafeterias. The air purification units developed by Healthway filter ultrafine particles as small as the coronavirus and have been deployed in hospital settings, K-12 classrooms, and college campuses. Additionally, the district has required the use of face masks by students and staff. The district is using federal funds to purchase additional adult and child-size masks for any staff member, student, or building occupant who does not have a face mask. The district is using federal money to purchase additional cleaning supplies, materials, and equipment to help prevent the spread of disease in our schools.

4. **In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

The district will conduct baseline testing of all students relative to basic academic skills in the areas of ELA and Math using the STAR assessments. Baseline data will be used to inform instructional decisions and groupings. Students will also be monitored using a mid-year and end of year assessment with STAR. The district also plans to use the Behavior Intervention and Monitoring Assessment System for students in grades 7-12 to identify students in need of additional behavioral support and/or mental health services.

5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

The district hosted students for summer school during the summer of 2021 and plans to host extended school year learning activities in future years to address learning loss. The district ran a four week program from July-August to target students in grades K-8 for additional support in core subject areas. Students in grades 9-12 had the chance to recover course credits through a regional summer program offered through OCM BOCES. Extended school year learning activities will continue in the summer of 2022 and 2023. The district is in the process of planning after school programs to extend and enrich learning beyond the school day. After school programs are tentatively planned for October-May from 2:45-5:00 PM on Tuesdays, Wednesdays, and Thursdays. After school programs will provide assistance with homework, classwork, and enrichment activities in the areas of science, technology, engineering, the arts, and mathematics.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

Page Last Modified: 08/26/2021

**6. In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

The district will use remaining ARP ESSER funds to coordinate preparedness and response efforts with NYS, Onondaga County, the Onondaga Nation Council of Chiefs/Clanmothers/Faithkeepers, to respond to the pandemic and prevent the spread of disease. Funds will be used to train staff on sanitizing and minimizing the spread of disease, purchase of supplies to clean and sanitize school facilities. The district will also use available funds to address learning loss through extended school year programs/summer programs, and after school programs. The district will use evidence-based summer programs and after school programs to address student learning needs. The district is also expanding mental health support for students by purchasing a social/emotional learning curriculum, training staff, and hiring social workers to provide support to students and families. The district is partnering with Onondaga County Health Department, Coordinated Care Services, and Upstate Medical University to provide school based mental health counseling and coordinate access to community based resources to support students and families. LaFayette CSD serves students from the Onondaga Nation School and students from the Onondaga Nation. The Onondaga Nation community has been gravely impacted by COVID-19. 60.9% of the 64 COVID cases that were reported to school officials during the 2020-2021 school year were from our Native American students. It should be noted that there were only two cases out of the sixty-four COVID cases that were suspected due to school based contact. The majority of our cases resulted from spread within multi-generational families living in the same home. We will work with our families to encourage vaccination efforts, work with the Onondaga County Health Department to provide routine surveillance testing for COVID, and encourage practices to maintain healthy living. Onondaga County, the Onondaga Nation Health Clinic, and LaFayette CSD received a NYSDOH grant to encourage healthy eating and regular exercise. We look forward to working with staff members, students, and families to encourage lifestyle changes that improve overall community health such as healthy eating and regular exercise.

The district is also maintaining a focus on improving academic outcomes for students. The district has implemented professional learning communities and has allocated time for staff members to collaborate and develop plans to address the academic needs of students. In the 2021-2022 school year, the district will implement a new English Language Arts curriculum and has identified a new core program to improve academic outcomes. The district is in the process of auditing, reviewing, and updating our math curriculum to make sure that student academic needs are being addressed. The district has hired additional personnel to assist with meeting the academic needs of our students and to support teachers with professional development to better address the learning needs of our students.

The district has informed parents of the safety precautions in place to address the health and safety needs of our students which include: universal mask wearing during periods of high community transmission of COVID, physical distancing of at least three feet between students, encouraging hand washing and respiratory hygiene, cleaning and maintaining healthy facilities, and working with the county and state health departments to complete any required contact tracing when positive cases occur.

The district was able to provide in person instruction for the entirety of the 2019-2020 at three schools: Grimshaw Elementary, LaFayette Jr/Sr High School, and LaFayette Big Picture School. The Onondaga Nation School remained fully remote for the 2019-2020 school year at the request of the Onondaga Nation. The district has worked closely with the Onondaga Nation to formulate a plan to return students for in person instruction at the Onondaga Nation School for summer school and for the start of the 2021-2022 school year. The district provided electronic learning devices, hotspots, and delivered meals to our remote learners on the Onondaga Nation throughout the pandemic. The district remains ready to switch to remote learning if needed based on ever changing conditions as a result of COVID-19. The district does not plan to use ESSER funds for the purposes of school construction.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

Page Last Modified: 08/26/2021

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

The district is grateful to have the availability of additional funding to meet the learning needs of our students. LaFayette CSD provided summer learning programs at Grimshaw Elementary, the Onondaga Nation School, and LaFayette Jr/Sr High School during the summer of 2021. The district also partnered with OCM BOCES Regional Summer School to provide our students in grades 9-12 with the opportunity to recover course credits during the summer of 2021. The district plans to continue with summer learning programs and use available federal funds to support these extended learning opportunities.

The district is in the process of developing after school programs to offer students the chance to obtain additional academic support after school hours. The district is partnering with the Onondaga Nation, Cornell University, and Syracuse University to provide additional tutoring for students from the Onondaga Nation.

The district will use federal funds to address the academic, social, emotional and mental health needs of all of our students; especially our students from low-income families, students of color, English language learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

Page Last Modified: 08/26/2021

**ARP-ESSER Return to In-Person Instruction**

LAFAYETTE CSD

420807040000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).**

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

Page Last Modified: 08/26/2021

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

The reopening plan for the 2021-2022 school year is posted on the district website, [www.lafayetteschools.org](http://www.lafayetteschools.org), under News Stories and is available at the following direct link:

<https://www.lafayetteschools.org/teacherpage.cfm?teacher=2232>

The plan will be made available upon request to parents/caregivers, legal guardians, school staff, or other stakeholders. The district emailed the updated plan to parents on Friday August 20, 2021. A reopening meeting with staff members was held on Monday August 23, 2021 and an information meeting was held with parents and families on Thursday August 26, 2021. The superintendent has provided contact information for families and staff members to reach out if they have any questions or concerns.

- 2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.**

**In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.**

The district will review the reopening plan and update based on guidance from the CDC, state or local health department, and the New York State Education Department. Updates to the plan will be communicated during public board of education meetings, emailed to staff members and families, and opportunities for public comment will be collected through written means. Staff members, students, families, and community members are also encouraged to contact the Superintendent directly with any feedback, questions, or concerns.

**ARP-ESSER Application: Part 2 - ARP Act**

LEA ARP-ESSER Plan - ARP-ESSER Allocation - Budget

---

Page Last Modified: 03/01/2022

**ARP-ESSER LEA Base 90% Allocation - Budget**

PLEASE NOTE - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "*TBD*" or "*Varies*" cannot be accepted on the FS-10 or Budget Narrative forms.

**Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.**

**1. Please upload a completed and signed copy of the *FS-10 Budget* for the ARP-ESSER LEA Base 90% Funds.**
