

## Community Relations

**SUBJECT: SCHOOL VOLUNTEERS**

Volunteers are persons who are willing to donate their time and energies to assist building principals, teachers, and other school personnel in implementing various phases of school programs. Volunteers will serve in that capacity without compensation or employee benefits except for liability protection under the District's insurance program.

The Board recognizes the need to develop a school volunteer program to support District instructional programs and extracurricular activities. The purpose of the volunteer program will be to:

- a) Assist employees in providing more individualization and enrichment of instruction;
- b) Build an understanding of school programs among interested citizens, thus stimulating widespread involvement in a total educational process;
- c) Strengthen school/community relations through positive participation.

An application must be filled out by each prospective volunteer and forwarded to the District Office for evaluation. The building principal will forward his or her decisions concerning selection, placement and replacement of volunteers to the Superintendent for final evaluation. Following approval from the Superintendent, volunteers selected for work in the District will be placed on the list of approved volunteers. However, the Superintendent retains the right to approve or reject any volunteer applications submitted for consideration.
